Exercises for Ensemble Drill: Main Book

NACWPI Journal

Accent on Ensembles is an exciting book of duets, trios and quartets for flexible instrumentation that correlates with Accent on Achievement, Book 1. Use these ensembles to develop confidence in young players and as a valuable resource for music during contest season. Since the instrumentation is flexible, any combination of instruments can play together. Accent on Ensembles, Book 2 is an exciting book of duets, trios and quartets for flexible instrumentation that correlates with Accent on Achievement, Book 2.

Rhythm Etudes

Download Free Rhythm Studies Ensemble Exercises For Brass Quintet

Rhythms Volume Four is one of the most in-depth studies of highly syncopated eighth note rhythms within a 3/4 time signature you can get. Downloadable midifiles from Muse Eek Publishing's "Member's Area" make this a really smart way to master hard rhythms within the 3/4 meter.

Rhythms Vol. 4

Rhythm Etudes is a presentation of progressive supplementary material of unique construction, accommodating itself to various levels of individual ability. The book is designed for use in ensemble warm-up periods, sectional rehearsals, and private instruction. By combining two or more exercises, harmony and rhythmic independence becomes automatic. This will help move the student beyond the mechanical stages of playing rhythms.

Accent on Ensembles: E-flat Alto Saxophone or Baritone Saxophone, Book 1

Accent on Ensembles, Book 2

Rhythm is often referred to as one of the key elements of performance and acting,

Download Free Rhythm Studies Ensemble Exercises For Brass Quintet

being of central importance to both performance making and training. Yet what is meant by this term and how it is approached and applied in this context are subjects seldom discussed in detail. Addressing these, *Rhythm in Acting and Performance* explores the meanings, mechanisms and metaphors associated with rhythm in this field, offering an overview and analysis of the ways rhythm has been, and is embodied and understood by performers, directors, educators, playwrights, designers and scholars. From the rhythmic movements and speech of actors in ancient Greece, to Stanislavski's use of Tempo-rhythm as a tool for building a character and tapping emotions, continuing through to the use of rhythm and musicality in contemporary approaches to actor training and dramaturgy, this subject finds resonance across a broad range of performance domains. In these settings, rhythm has often been identified as an effective tool for developing the coordination and conscious awareness of individual performers, ensembles and their immediate relationship to an audience. This text examines the principles and techniques underlying these processes, focusing on key approaches adopted and developed within European and American performance practices over the last century. Interviews and case studies of individual practitioners, offer insight into the ways rhythm is approached and utilised within this field. Each of these sections includes practical examples as well as analytical reflections, offering a basis for comparing both the common threads and the broad differences that can be found here. Unpacking this often mystified and neglected subject, this book offers students and practitioners a wealth of informative and

Download Free Rhythm Studies Ensemble Exercises For Brass Quintet

useful insights to aid and inspire further creative and academic explorations of rhythm within this field.

Instrumental Music Guide

Tired of not knowing what to do with your percussionists while wind players are doing their daily drills of long tones, lip slurs, and articulation studies? Percussionists are often spinning their wheels while waiting to get to the good stuff. Well, this is the good stuff! Now the percussion section can receive their daily dose of essentials and have fun while doing it! FIVE MINUTE DRILL is a series of fundamental exercises for both practice pad and mallet keyboard designed to give young players a guided regimen of the basics in just five minutes a day! Stylized play-along tracks on the included CD accompany the exercises in order to encourage group awareness and listening?not to mention FUN! INSIDE: ? Nearly 30 exercises for drumming and mallet keyboard technique ? Play-along CD containing over 90 individual tracks at a variety of speeds & styles ? Data tracking tools so you can record your progress ? At-a-glance techniques & terminology everyone can benefit from

These exercises are uniquely presented in one book which may be used by any and all instruments together. The book is divided into three main sections. The warm-up exercises consist of fully harmonized chords for the entire band; the technical exercises are scored in unison and cover fundamental scales, intervals and arpeggios in all keys; the rhythm drill presents 195 fundamental rhythms followed by 40 exercises applying certain rhythms to interval studies. An exceptionally useful, practical and worthwhile book!

At 368 pages, Beyond Salsa for Ensemble, Vol. 1 is the most ambitious of the 15 volume series. The course is designed for college and high school Latin music ensembles and working salsa bands seeking to add modern Cuban "timba" and

Download Free Rhythm Studies Ensemble Exercises For Brass Quintet

"songo" material and techniques to their repertoires. The course begins with the basic salsa groove and then presents two modern Cuban grooves (one in 2-3 clave and one in 3-2 clave), with note-for-note transcriptions for piano, bass, bongo, timbales, congas, and drums - all explained in careful detail in a conversational style. The next part of the book teaches 36 rhythm breaks, or "efectos," that can be added to any Latin arrangement. Again, every stroke of every part is meticulously transcribed, with lead sheets also provided for more experienced players. Finally, the book contains a complete chart for performance of a popular Cuban hit by the popular group Los Que Son Son, led by Pupy Pedroso, the subject of several of the Beyond Salsa Piano books.
