### **Seven Wonders Book 5: The Legend of the Rift**

Unreal Engine 4 for virtual reality game design, development, User Experience design techniques and Blueprint programming to create virtual reality gameplay for HTC Vive, Oculus Rift, PSVR, and Windows Mixed Reality headsets. Key Features Build VR games from scratch with the power of Unreal Engine 4 Learn User Experience design practices to take your VR game to the next level Understand the best practices to creating art for games on HTC Vive, Oculus Rift, and PSVR Book Description With the ability to put players directly in the game, virtual reality gives users the chance to experience digital worlds directly. Nevertheless, many designers are unsure where to start when working with this amazing technology. With this book, you will learn user experience design processes and create immersive gameplay experiences designed for entertainment and player comfort. Using the power of Unreal Engine 4's Blueprint visual scripting language, you will build player interaction and locomotion systems from scratch and use these flexible systems to create a sample game, as well as develop functional 2D and 3D user interfaces for players to interact with. And also learn the best practices for creating game art for virtual reality. Finally, you will learn how to test your application with your target audience and finalize

your game for distribution. By the end of this book, you will have the knowledge to be able to make the leap from traditional game development to creating immersive virtual reality experiences using Unreal Engine 4. What you will learn

- Understand how to get started with VR development in Unreal Engine 4
- Design and create interaction and locomotion systems from scratch
- Plan and program a sample game for VR
- Understand how VR affects user experience and user interfaces
- Discuss what is needed to create optimized art for VR
- Test your game with users and prepare for distribution

Who this book is for

The audience for this book is intermediate or advanced users of Unreal Engine 4 but who have not begun working with VR technology. These users are familiar with the game engine and have an interest in VR technology. They are just beginning to explore the VR features that the game engine has to offer.

### **Writer's and Illustrator's Guide to Children's Book Publishers and Agents**

Tanzania is one of Africa's greatest safari destinations, home to the legendary Serengeti National Park, Ngorongoro Crater and Mount Kilimanjaro as well as the 'spice island' of Zanzibar and lesser known gems such as the vast Selous Game Reserve and habituated chimpanzees of Gombe Stream. This fully revised edition of the guide covers every accessible national park and reserve, as well as many top non-wildlife attractions and the best accommodation in every price bracket. It includes in-depth coverage of wildlife and natural history, background information on the Maasai and other tribes, archaeological points of interest such as rock art and mediaeval Swahili ruins and an introduction to the Swahili language.

### **Running the Rift**

### **The Rift Uprising**

“High emotional stakes and an intriguing premise make this first entry in Foster’s (When Autumn Leaves) new trilogy a solid next read for those who enjoyed Pierce Brown’s Red Rising or Veronica Roth’s Divergent.” -- Library Journal An alternate reality that feels all-too-real, The Rift Uprising is the explosive

start to a new trilogy that blurs the line between parallel universes—not to mention YA and adult science fiction—from acclaimed lyricist and storyteller Amy S. Foster. Normal seventeen-year-old girls go to high school, binge watch TV shows all weekend, and flirt with everyone on the face of the Earth. But Ryn Whitaker is trying to save it. Ryn is a Citadel. A soldier. A liar. Ryn and her fellow Citadels were specially chosen and trained to guard a Rift—one of fourteen unpredictable tears in the fabric of the universe that serve as doorways to alternate Earths. Unbeknownst to her family, Ryn leaves for school each day and then reports for duty as an elite, cybernetically-altered soldier who can run faster, jump farther, and fight better than a Navy SEAL—which comes in handy when she's not sure if axe-wielding Vikings or any number of other scared and often dangerous beings come through the Rift. A fine-tuned weapon, Ryn is a picture-perfect Citadel. But that's all about to change. When a young man named Ezra is pulled through the Rift, Ryn finds herself immediately drawn to him, despite her training. What starts as a physical attraction quickly grows deeper, and Ezra's curiosity throws Ryn off balance when he starts questioning the Rifts, the mysterious organization that oversees them, and the Citadels themselves—questions that lead Ryn to wonder if the lies she's been telling her family are just the surface of a much bigger lie told to her. As Ryn and Ezra desperately try to get to that truth, they discover that each revelation blurs the line between the villains and the heroes even more.

## **From Precambrian Rift Volcanoes to the Mississippian Shelf Margin**

The Oculus Rift is a virtual reality device that can be worn on the head of an individual giving them a feeling of being in a totally different world. The project began back in 2012 and is used with games to create a three-dimensional world in which to play. It was released in 2014 and works with most games currently on the market. The Oculus Rift includes a light headset that makes moving around easy as users experience this completely interactive virtual world.

### **Rift**

This ebook is a selective guide designed to help scholars and students of social work find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books, chapters, and journal articles to online archives, electronic data sets, and blogs. Written by a leading international authority on the subject, the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related. This ebook is a static version of an article from Oxford Bibliographies Online: Philosophy, a dynamic, continuously updated, online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study Philosophy. Oxford Bibliographies Online

covers most subject disciplines within the social science and humanities, for more information visit [www.oxfordbibliographies.com](http://www.oxfordbibliographies.com).

Games User Research' is the definitive guide to methods and practices for games user professionals, researchers and students seeking additional expertise or starting advice in the game development industry. It is the go-to volume for everyone working with games, with an emphasis on those new to the field.

## **Ludwig Wittgenstein: Later Works: Oxford Bibliographies Online Research Guide**

### **The Rift Frequency**

Skillfully combining complex science with finely executed prose, these edgy, award-winning tales explore the always-shifting border between the known and the alien. The beauty and peril of technology and the passion and penalties of conviction merge in stories that are by turns dark, satiric, bold, and introspective. A seemingly humanized monster from John Carpenter's *The Thing* reveals the true villains in an Antarctic showdown. An artificial intelligence shields a biologically-enhanced prodigy from her overwhelmed parents. A deep-sea diver discovers that her true nature lies not within the confines of her mission but in the depths of her psyche. A court psychologist analyzes a psychotic graduate student who has learned to reprogram reality itself. A father tries to hold his broken family together in the wake of an ongoing assault by sentient rainstorms.

Gorgeously saturnine and exceptionally powerful, these collected fictions are both intensely thought-provoking and impossible to forget.

### **Dragon's Dogma: Dark Arisen - Strategy Guide**

This new series of country guides is designed for travellers and students who want to understand the

wider picture and build up an overall knowledge of a country. Each In Focus guide is a lively and thought-provoking introduction to the country's people, politics and culture. The In Focus guides will brief you on: The history: Conquest, life as a colony, quest for independence and the building of a modern nation. How history can help explain today's society and politics. The people: Who lives where, how they live. The different worlds of the poor and the rich; blacks, Indians and whites; Arabs and Jews; indigenous, disenfranchised and dispossessed peoples; human rights. The culture: What to read, what to see, what to hear. Who's who in literature, music, dance, theater and cinema. Roots and rites of different religions. Folk traditions and indigenous cultural celebrations. The politics: Who runs the country, who wants to run the country. Power and conflict between political parties, the military, guerillas and grassroots organizations. Historical ties to the U.S. The economy: What the country produces and exports, how the economy has developed, the impact of foreign debt and free market reforms, who gains and who loses, presence and role of U.S. corporations. Where to go, what to see: Must-see landmarks, lists of monuments and historical sites as well as the author's expert tips on what to see and do to get the most out of a short trip to the country. Plus -- Facts and figures -- Chronology -- Practical advice -- Nontourist travel -- Further reading -- Useful addresses -- Color and b&w photos -- Maps

### **Beyond the Rift**

To save her love and unlock the mystery of who she is, a brave young woman must travel between alternate realities in *The Rift Frequency*, the exciting second book in Amy S. Foster's *The Rift Uprising Trilogy*. She didn't mean to, but Teenage super-soldier Ryn Whittaker started an uprising. For three years Ryn was stationed at The Battle Ground Rift site—one of the fourteen mysterious and unpredictable tears in the fabric of the universe that serve as doorways to alternate Earths—and then she met Ezra Massad. Falling in love and becoming a rebel Citadel wasn't part of Ryn's life plan, but with Ezra there asking all the right questions, they began to decode what's really going on with the Allied Rift Coalition, and what they discovered was enough to start a civil war. When the base explodes with infighting and Ezra gets caught in the fray, he is accidentally pushed through the Rift, taking a stolen laptop—and the answers it could give Ryn—with him. Now all Ryn wants is to locate Ezra and get back to her Earth. But that's not easy when she's traveling the multiverse with Levi, the painfully guarded Citadel who shoved Ezra through in the first place. And Ryn is quickly learning that inside the multiverse there is no normal—it's adapt, or die—and the one weapon she really needs to win the war back home is the truth.

## **A Parent's Guide to Computer Games**

Chronicling the rise of the Keepers, this is the

stunning prequel to Andrea Cremer's internationally bestselling Nightshade trilogy! Sixteen-year-old Ember Morrow is promised to a group called Conatus after one of their healers saves her mother's life. Once she arrives, Ember finds joy in wielding swords, learning magic, and fighting the encroaching darkness loose in the world. She also finds herself falling in love with her mentor, the dashing, brooding, and powerful Barrow Hess. When the knights realize Eira, one of their leaders, is dabbling in dark magic, Ember and Barrow must choose whether to follow Eira into the nether realm or to pledge their lives to destroying her and her kind. With action, adventure, magic, and tantalizing sensuality, this book is as fast-paced and breathtaking as the Nightshade novels. "A great new book that will leave you breathless."  
-Romantic Times From the Trade Paperback edition.

Playing Game This product is available for sale in North America only.

### **Unreal Engine Virtual Reality Quick Start Guide**

Biopharmaceutical medicinal products (biologics) represent a huge financial market. Thus upon patent protection expiry of the innovator (reference) biologic there is interest from industry to gain a portion of this market by launching a 'similar' biologic at a reduced development cost, thus boosting potential gains. The EMA responded to this desire and lead the guidance process with industry on the topic of biosimilars. Based on the experience gained with biosimilars in the past, the EMA started to introduce a second generation series of guidance documents, which take into account the past, current and possibly future challenges of biosimilars. Those proposals were evaluated by EMA and partially incorporated into new guidance documents. This work highlights the challenges and risks associated with biosimilar submissions for large and complex bio-molecules such antibodies. Results: There are unaddressed questions for the regulator with regard to the unsolved dynamic of heterogeneity and variations of the quality profile, which have potential implications on safety and efficacy. This is neglected and not taken into account seriously enough by the stakeholders. Solution: Further, the only (in my view) progressive way to deal with such foreseeable situations from the biosimilar developer's point of view is to incorporate a design space.

Re-exploration Programs for Petroleum-Rich Sags in Rift Basins covers the geological characteristics and

potential of oil-rich depressions in a rifted basin. It describes up-to-date research and technology, detailing the current status of exploration. The overall aim of the book is to guide a new round of hydrocarbon exploration of petroleum-rich depressions, contributing to breakthroughs in re-exploration and a substantial increase in reserves. Chapters discuss the reservoir forming theory of oil-rich depressions, characters of hydrocarbon migration and accumulation in a weak structure slope, key elements of reservoir forming of deep buried hills and inner curtains, and more. Other topics covered include complex subtle reservoir recognition techniques, deep layer and buried hill high speed drill technology, recognition of buried hill reservoir and hydrocarbon, high efficiency enhanced oil recovery, and finally, methods of secondary exploration of oil-rich depressions and the development of a workflow to guide research and exploration. Provides up-to date knowledge and expertise on the geological characteristics and potential of oil-rich depressions in a rifted basin Based on a decade of experience, program deployment, and geological theory on continental basin exploration Gives practical guidance for exploiting green and brown fields Helps the reader understand how to increase reserves and production Ideal as a guidebook for sustainable large-scale exploration and exploitation of a continental rifted basin

## **The Complete Idiot's Guide to Playing Games Online**

From National Jewish Book Award winner and author of *Israel*, a bold reevaluation of the tensions between American and Israeli Jews that reinterprets the past and reimagines the future of Jewish life. Relations between the American Jewish community and Israel are at an all-time nadir. Most explanations pin the blame on Israel's conduct: its handling of the conflict with the Palestinians, its attitude toward non-Orthodox Judaism, and the Jewish state's dismissive view of American Jews in general. Others point an accusing finger at American Jews, insisting that in embracing America's progressive values, many American Jews have become more sympathetic to Israel's enemies than they are to the Jewish state. But these explanations, Daniel Gordis argues, miss the real causes for the divide. Gordis's new book, *We Stand Divided: The Rift Between American Jews and Israel*, examines the history of the troubled relationship, showing that from the very outset—even before the state of Israel was created—the two communities' dreams for a Jewish future had little in common. American Jews and Israelis built their respective communities to embrace different opportunities and in response to different challenges. Over decades, two radically diverging visions of Jewish life emerged. Thus, Gordis argues, as a first step to healing the breach, the two communities must acknowledge and discuss their profoundly different purposes and moral commitments. Only then can they forge a path forward, together.

## TV Guide

Collects League of Legends: Ashe - Warmother #1-4. The first full-length comic series in the League of Legends universe, delivering an epic journey through the Freljord! Raised in the savage wilds of the north, Ashe is an Iceborn, a warrior gifted with a magical connection to her frozen homeland — and burdened by her mother's fanatical expectations. When they set out on a dangerous quest for the truth behind an ancient myth, bonds are broken, secrets come to light and Runeterra is forever changed. Will young Ashe become the leader her people need? Or is destiny merely an empty dream? ASHE: WARMOTHER features the comics debut of Riot Games writer Odin Austin Shafer, with stunning artwork by Russ Manning Most Promising Newcomer Award nominee Nina Vakueva (Heavy Vinyl).

## **A Practical Guide to Sovereign Wealth Funds**

As corporate greed is pitted against supernatural forces, two young friends must try to protect the precious Old Herd -- and their island itself. For generations, the rangers of Black Water Island have guarded the Old Herd against the horrors released by the Rift. And Cal West, an apprentice ranger, fights daily to prove he belongs within their ranks. But even greater challenges await with the return of his childhood friend Meg Archer and the onset of a new threat that not even the rangers are prepared for. Now Meg and Cal, while struggling with their mutual attraction, must face their darkest fears to save the island from disaster. In a possible near future where

Big Pharma is pitted against ancient traditions and the supernatural, Rachael Crow's gripping and brutal tale, inspired by Greek mythology, will immerse readers and leave them intoxicated by its richly imagined world.

### **Skies of Arcadia Legends**

Winner of the PEN/Bellwether Prize for Fiction: An “audacious and compelling” novel of one man trying to outrun the horrors of the Rwandan genocide (The Washington Post). A Kansas City Star, Seattle Times, and BookBrowse Best of the Year Pick Running the Rift follows the progress of Jean Patrick Nkuba from the day he knows that running will be his life to the moment he must run to save his life. A naturally gifted athlete, he sprints over the thousand hills of Rwanda and dreams of becoming his country’s first Olympic medal winner in track. But Jean Patrick is a Tutsi in a world that has become increasingly restrictive and violent for his people. As tensions mount between the Hutu and Tutsi, he holds fast to his dream that running might deliver him, and his people, from the brutality around them. Winner of the PEN/Bellwether Prize for Socially Engaged Fiction, Naomi Benaron has written a stunning and gorgeous novel that—through the eyes of one unforgettable boy—explores a country’s unraveling, its tentative new beginning, and the love that binds its people together. “A profound display of imagination and empathy. Benaron writes like Jean Patrick runs, with the heart of a lion.” —The Dallas Morning News “A novel full of unspeakable strife but also joy, humor,

and love.” —O, The Oprah Magazine “This is truly fearless writing: ambitious, beautiful, unapologetically passionate.” —Barbara Kingsolver, New York Times–bestselling author “A culturally rich and unflinching story of resilience and resistance.” —Chicago Tribune “Benaron accomplishes the improbable feat of wringing genuine loveliness from unspeakable horror.”—Publishers Weekly (starred review)

### **Charcoal in the Mist**

"Despite a long history of geologic investigations in the Ozarks, new studies and analyses continue to elucidate our understanding of the complex interconnection between the basement, extensive carbonate platforms, structural overprinting, mineralization, karstification, and hydrology. This guidebook volume highlights a few of these aspects as well as the connection to culture, history, and economic development of the Ozarks region."--Publisher's description.

### **The Rift**

You live the tranquil life of a fisherman in the small, quiet village of Cassardis, at the edge of the sleepy duchy of Gran Soren. This peaceful life of mundane obscurity is shattered one morning with the Dragon, Grigori, a beast of legend, attacks your town and you fall in its defense. Now reborn as an Arisen, you must lead the Pawn Legion into battle as you deal with court politics, combat apocalyptic cultists, and chase

down the enigmatic Dragon. But beware, there could be more to the Dragon's challenge than it originally seems - Full sequential walkthrough of all main quests, side quests and notice board quests. - Each area painstakingly described, including enemy encounters and notable loot drops. - How to get the best gear out of the Everfall and Bitterblack Isle. - Descriptions and tactics of every beast, large and small, that you'll face in the game. - Character creation information, so you can build the mightiest Arisen and Pawn possible. - New Game +, Hard Mode and Speed Run Mode fully explained. - Portcrystal and fast-travel system fully explained. - Romance information and affection-boosting guide: never accidentally romance the wrong NPC again!

### **League Of Legends**

Percy Jackson meets Indiana Jones in the final installment of the New York Times bestselling epic adventure *Seven Wonders*! Jack, Marco, Cass, and Aly's quest to find the seven magic orbs buried beneath each of the Seven Wonders of the Ancient World has hit a perilous snag. King Uhla'ar has kidnapped Aly and taken her and an orb back through a rift in time. A giant, merciless behemoth guards the opening, and so Jack and his friends realize that their only hope to rescue Aly is to rush to find the rest of the lost Loculi. This mission takes them around the world—to the Temple of Artemis to fend off a mighty army and then to the Lighthouse of Alexandria, where they wind up swallowed in the belly of a beast. But before all is said and done, they must return to where it all began, to Atlantis, to save Aly, themselves...and the world. Don't miss *The Legend of the Rift*, the epic finale to Peter Lerangis's earth-shattering, New York Times bestselling adventure series, *Seven Wonders*.
