Savage

"Eckert's skills as a naturalist, previously displayed in his Newbery Award-winning Incident at Hawk's Hill, are here given full expression and armchair adventurers will soon be caught in its spell. The pristine and often savage beauty of the killer rainforest is described in lush detail; the reader is right there, watching. Once the reader has been snagged, he'll be as much a captive of the magnificent forest as is Sarah Francis and just as intent as she to survive in a paradoxically terrifying and beautiful environment. The reader cannot help but hold his breath!" -Cincinnati Enquirer

Where the Crawdads Sing

Welcome to the mysterious world of the rich and the damned in this gritty, modern day fairy tale. Two star-crossed lovers will either find their destiny or meet their fate in a world where demons come in the form of familiar faces and pawns aren't just players, but deadly. She was my destiny. I was her downfall. We were a match made in hell. But when we were together, that hell was pure heaven. The moment I laid eyes on her, I knew she would pay the price for my sins. I wasn't much older than she was, but old enough to know better. Old enough to know she would be good for me and I was bad for her. But I pursued her anyway. Back then I had hope that maybe she could change my future. Maybe together we could change our fate . . .

The Savage Beauty

A free woman of color in the 1830s, Margaret Morgan lived a life full of promise. One frigid night in Pennsylvania, that changed forever. They tore her family apart. They put her in chains. They never expected her to fight back. In 1837,

Margaret Morgan was kidnapped from her home in Pennsylvania and sold into slavery. The state of Pennsylvania charged her kidnapper with the crime, but the conviction was later overturned by the U.S. Supreme Court. It was the first time a major branch of the federal government had made a pro-slavery stand, and the ruling in *Prigg v. Pennsylvania* sewed the bitter seeds of the states' rights battle that eventually would lead to the Civil War. Yet, the heart of this story is not a historic Supreme Court ruling. It is the remarkable, unforgettable Margaret Morgan. Her life would never be the same. Her family had been torn apart. Uncaring forces abused her body and her heart. But she refused to give up, refused to stop fighting, refused to allow her soul to be enslaved. Jessica McCann's work as an award-winning journalist has been published in *Business Week*, *The Writer*, and many other publications. *ALL DIFFERENT KINDS OF FREE* is her first novel. Alexander McQueen

Emma Seaton was comfortably if unexcitingly engaged to Victor Harrison; he was a wealthy business tycoon, and Emma could look forward to a life of ease and luxury with him—but was that all she wanted from life? She became even more aware of her doubts about Victor when she met the disturbing Miguel Salvaje, who made no secret of his attraction to her, and Emma soon admitted to herself that she in turn was attracted to him. The situation grew even more intense when Miguel virtually blackmailed her into marrying him instead of Victor and bore her off to his home in Mexico. The tense situation between them might have resolved itself happily, however, had Emma not discovered that she was expected to share her home with a third person—someone even more overpowering than Miguel himself.

THE HARP-WEAVER AND OTHER POEMS

Murder mystery meets carnival flair in a rollicking Victorian adventure centered on a boy with a unique appearance — and unique gifts. In the seedy underworld of Victorian London, a boy is born and abandoned. Snatched up by an unscrupulous and abusive showman, Wild Boy, covered in hair from head to toe, becomes a sideshow freak. Isolated from other children and wickedly abused by the cruel master who bought him, Wild Boy becomes an avid observer, developing Sherlock Holmes-like deductive skills. Although he is tormented and insulted, kicked and spat at, his quick mind takes in everything he sees. When a murder occurs at the fair, Wild Boy is hastily accused. Can he use his powers of deduction to save himself? And will the talented and spunky young acrobat Clarissa be with him — or against him? Readers will be swept along by the cinematic pace, immersed in the vivid historical setting, and gripped by suspense as they wait to find out if a better fate could possibly await someone so very different.

Alexander McQueen

This book is to encourage women to be savage in their everyday life, but not by your standard definition. This is to remind women that it's ok to set a standard and live with a standard unapologetically.

Peculiar Savage Beauty

Zelda Sayre started out as a Southern beauty, became an international wonder, and died by fire in a madhouse. With her husband, F. Scott Fitzgerald, she moved in a golden aura of excitement, romance, and promise. The epitome of the Jazz Age, they rode the crest of the era to its collapse and their own. As a result of years of exhaustive research, Nancy Milford brings alive the tormented, elusive personality of Zelda and clarifies as never before her relationship with Scott Fitzgerald. Zelda traces the inner disintegration of a gifted, despairing woman, torn by the clash between her husband's career and her own talent.

Second April. --

#1 New York Times Bestseller A Reese Witherspoon x Hello Sunshine Book Club Pick "I can't even express how much I love this book! I didn't want this story to end!"--Reese Witherspoon "Painfully beautiful."--The New York Times Book Review "Perfect for fans of Barbara Kingsolver."--Bustle For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life--until the unthinkable happens. Perfect for fans of Barbara Kingsolver and Karen Russell, *Where the Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

Savage Appetites

FROM THE UNCHARTED WILDERNESS Louise Therese Chartier knows all about the hardships of life in the wilderness. She has learned to survive by trusting her own instincts. But when her husband is killed, she finds herself left in the care and protection of Sergeant Daniel Morgan. TO THE DRAWING ROOMS OF NEW ORLEANS SOCIETY Against her will, Louise becomes part of an expedition to chart America's new frontiers—an act of fate that will alter the destiny of a country and her heart. A woman whose harsh life taught her more about survival than about men, Louise is stunned by her desire for

her rugged protector. But Daniel is a man of honor, bound to his duty, his country—and another woman. **PASSION IS A DARING ADVENTURE** As Louise's exotic beauty, proud sensuality and secret royal heritage open the doors to the elite drawing rooms of a young America, new opportunities—and new dangers—await. But the beating of her wild heart calls out to one man, a man whose destiny is inexorably linked with her own....

Help a Sister Out

"The first definitive biography of the iconic, notoriously private British fashion designer Alexander McQueen explores the connections between his dark work and even darker life. When forty-year-old Alexander McQueen committed suicide in February 2010, a shocked world mourned the loss. McQueen had risen from humble beginnings as the son of an East London taxi driver to scale the heights of fame, fortune, and glamour. He designed clothes for the world's most beautiful women and royalty, most famously the Duchess of Cambridge, who wore a McQueen dress on her wedding day. He created a multimillion-dollar luxury brand that became a favorite with celebrities including Kate Moss and Naomi Campbell. But behind the confident facade and bad-boy image, lay a sensitive soul who struggled to survive in the ruthless world of fashion. As the pressures of work intensified, McQueen became increasingly dependent on the drugs that contributed to his tragic end. Meanwhile, in his private life, his failure to find lasting love in a string of boyfriends only added to his despair. And then there were the dark secrets that haunted his sleep A modern-day fairy tale infused with the darkness of a Greek tragedy, Alexander McQueen tells the complete sensational story, and includes never-before-seen photos. Those closest to the designer--his family, friends, and lovers--have spoken for the first time about the man they knew, a fragmented individual, a lost boy who battled to gain entry into a world that ultimately destroyed him. "There's blood beneath every layer of skin," McQueen once said. Andrew Wilson's biography, filled with groundbreaking material, dispels myths, corrects inaccuracies, and offers new insights into McQueen's private life and the source of his creative genius"--

Zelda

NATIONAL BESTSELLER WINNER OF THE PULITZER PRIZE The searing, post-apocalyptic novel about a father and son's fight to survive. A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. *The Road* is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and

the tenderness that keeps two people alive in the face of total devastation. A New York Times Notable Book One of the Best Books of the Year The Boston Globe, The Christian Science Monitor, The Denver Post, The Kansas City Star, Los Angeles Times, New York, People, Rocky Mountain News, Time, The Village Voice, The Washington Post

Discovering the Good Life

In the wake of her sister Ivy's widely publicized suicide attempt, Ursula Van Urden arrives in the metropolis of Middle City with hopes of starting her own life anew. In an attempt to understand the events leading up to her sister's breakdown, Ursula meets Ivy's mysterious boyfriend, Chas Lacouture, and joins his trendspotting firm, Tomorrow, Ltd. Armed with only a sketch pad and the mandate to "find the future," she begins an odyssey into the strangely intoxicating world of trendspotting where one lesson prevails: At the heart of every product lies a paradox, and when cultivated successfully, it yields untold riches. As Ivy's delusions grow stronger and more apocalyptic, Ursula's observations of a filthy, rodent-eating homeless girl -- an urban savage -- lead to an elaborate advertising scheme gone awry that has unexpected consequences.

Say Say Say

An authorized portrait of the Pulitzer Prize-winning poet draws on Millay's intimate diary, letters, and other papers to capture her flamboyant and turbulent life.

Savage Journey

More than two decades ago, John Galliano and Alexander McQueen arrived on the fashions scene when the business was in an artistic and economic rut. Both wanted to revolutionize fashion in a way no one had in decades. They shook the establishment out of its bourgeois, minimalist stupor with daring, sexy designs. They turned out landmark collections in mesmerizing, theatrical shows that retailers and critics still gush about and designers continue to reference. Their approach to fashion was wildly different—Galliano began as an illustrator, McQueen as a Savile Row tailor. Galliano led the way with his sensual bias-cut gowns and his voluptuous hourglass tailoring, which he presented in romantic storybook-like settings. McQueen, though nearly ten years younger than Galliano, was a brilliant technician and a visionary artist who brought a new reality to fashion, as well as an otherworldly beauty. For his first official collection at the tender age of twenty-three, McQueen did what few in fashion ever achieve: he invented a new silhouette, the Bumster. They had similar backgrounds: sensitive, shy gay men raised in tough London neighborhoods, their love of fashion nurtured by their doting mothers. Both struggled to get their businesses off the ground, despite early critical success. But by 1997, each had landed a job as creative director for couture houses owned by French tycoon Bernard Arnault, chairman of LVMH. Galliano's and McQueen's

work for Dior and Givenchy and beyond not only influenced fashion; their distinct styles were also reflected across the media landscape. With their help, luxury fashion evolved from a clutch of small, family-owned businesses into a \$280 billion-a-year global corporate industry. Executives pushed the designers to meet increasingly rapid deadlines. For both Galliano and McQueen, the pace was unsustainable. In 2010, McQueen took his own life three weeks before his womens' wear show. The same week that Galliano was fired, Forbes named Arnault the fourth richest man in the world. Two months later, Kate Middleton wore a McQueen wedding gown, instantly making the house the world's most famous fashion brand, and the Metropolitan Museum of Art opened a wildly successful McQueen retrospective, cosponsored by the corporate owners of the McQueen brand. The corporations had won and the artists had lost. In her groundbreaking work *Gods and Kings*, acclaimed journalist Dana Thomas tells the true story of McQueen and Galliano. In so doing, she reveals the revolution in high fashion in the last two decades—and the price it demanded of the very ones who saved it.

Savage Legion

The Road

One of the *The Wall Street Journal's* 10 Best Fiction Books of 2019 "A gem of a book . . . lyrical, tender, and profoundly insightful."--Abraham Verghese, author of *Cutting for Stone* A beautiful, bracingly honest debut novel about the triangle formed between a young woman and the couple whose life she enters one transformative year: a story about love and compassion, the fluidity of desire, and the myriad ways of devotion. Ella is nearing thirty, and not yet living the life she imagined. Her artistic ambitions as a student in Minnesota have given way to an unintended career in caregiving. One spring, Bryn--a retired carpenter--hires her to help him care for Jill, his wife of many years. A car accident caused a brain injury that has left Jill verbally diminished; she moves about the house like a ghost of her former self, often able to utter, like an incantation, only the words that comprise this novel's title. As Ella is drawn ever deeper into the couple's household, her presence unwanted but wholly necessary, she is profoundly moved by the tenderness Bryn shows toward the wife he still fiercely loves. Ella is startled by the yearning this awakens in her, one that complicates her feelings for her girlfriend, Alix, and causes her to look at relationships of all kinds--between partners, between employer and employee, and above all between men and women--in new ways. Tightly woven, humane and insightful, tracing unflinchingly the most intimate

reaches of a young woman's heart and mind, Say Say Say is a riveting story about what it means to love, in a world where time is always running out.

All Different Kinds Of Free

Once upon a time, a beautiful queen was cursed by a dark faery. That curse, inherited by twin princesses, Aura and Luna, binds their lives in the strangest of ways. At an early age, the girls were more than sisters. They were the strongest of allies until a combination of jealousy, anger and dark magic tore their relationship to shreds. Aura took everything from Luna: her home, her family, and her love by murdering the prince who'd chosen her instead of Aura. Luna wants revenge, but she's running out of time. She must sever the magical bond tying her life to Aura's before their eighteenth birthday or be bound to her forever. In desperation, she seeks help from a dark fae prince, but the price is steep - a piece of her soul. Fate is a real witch. Luna was willing to give up anything to stop her sister, until Prince Phillip of Grithim, the brother of the only man she's ever loved, falls into her life. Neither of them can fight their attraction, despite their guilt. With Aura hell-bent on destroying everything she holds dear, Luna must decide whether she wants revenge or Phillip. She can't have both, and in the end, this may be a battle both sisters lose.

The Savage Girl

Savage Beauty

A “necessary and brilliant” (NPR) exploration of our cultural fascination with true crime told through four “enthraling” (The New York Times Book Review) narratives of obsession. In *Savage Appetites*, Rachel Monroe links four criminal roles—Detective, Victim, Defender, and Killer—to four true stories about women driven by obsession. From a frustrated and brilliant heiress crafting crime-scene dollhouses to a young woman who became part of a Manson victim’s family, from a landscape architect in love with a convicted murderer to a Columbine fangirl who planned her own mass shooting, these women are alternately mesmerizing, horrifying, and sympathetic. A revealing study of women’s complicated relationship with true crime and the fear and desire it can inspire, together these stories provide a window into why many women are drawn to crime narratives—even as they also recoil from them. Monroe uses these four cases to trace the history of American crime through the growth of forensic science, the evolving role of victims, the Satanic Panic, the rise of online detectives, and the long shadow of the Columbine shooting. Combining personal narrative, reportage, and a sociological examination of violence and media in the 20th and 21st centuries, *Savage Appetites* is a “corrective to the genre it interrogates” (The New Statesman), scrupulously exploring empathy, justice, and the persistent appeal of crime.

The Life of Mr. Richard Savage, Son of the Earl Rivers

Gou is frightened. And with every step Jamie takes into his world, that fear grows. He wants Jamie by his side. He wants to keep Jamie safe. But how can he do that when Jamie is determined to be more than just a lover? Honour. Family. Trust. When danger strikes again, the decisions they make could end it all.

Life of a Savage

Published in conjunction with the exhibition of the same name on view at The Metropolitan Museum of Art, New York, Ma6 4-July 31, 2011.

Dangerous Life

The first of its kind: an exploration of one of the most mysterious countries in the world, as told by one of the first outsiders to access the country in its entirety For almost fifty years Burma was ruled by a paranoid military dictatorship and isolated from the outside world. A historic 2015 election swept an Aung San Suu Kyi-led civilian government to power and was supposed to usher in a new golden era of democracy and progress, but Burma remains unstable and undeveloped, a little-understood country. Nothing is straightforward in this captivating land that is home to a combustible mix of races, religions and resources. A Savage Dreamland: Journeys in Burma reveals a country where temples take priority over infrastructure, fortune tellers thrive and golf courses are carved out of war zones. Setting out from Yangon, the old capital, David Eimer travels throughout this enigmatic nation, from the tropical south to the Burmese Himalayas in the far north, via the

Buddhist-centric heartland and the jungles and mountains where rebel armies fight for autonomy in the longest-running civil wars in recent history. The story of modern Burma is told through the voices of the people Eimer encounters along the way: former political exiles, the squatters in Yangon's shanty towns, radical monks, Rohingya refugees, princesses and warlords, and the ethnic minorities clustered along the country's frontiers. In his vivid and revelatory account of life, history, culture and politics, David Eimer chronicles the awakening of a country as it returns to the global fold and explores a fractured nation, closed to foreigners for decades. Authoritative and ground-breaking, *A Savage Dreamland: Journeys in Burma* is set to be a modern classic of travel writing.

Savage Beauty

Never-before-seen photos of McQueen's brilliantly creative world from an exclusive backstage photographer Alexander McQueen, the iconic designer whose untimely death in 2010 left the fashion world reeling and fans worldwide clamoring for more, fused immense creativity, audacity, and a hauntingly dark aesthetic sense into powerful, unforgettable imagery. The strange, singular beauty of his clothing was matched by the spectacle of his legendary fashion shows, which demonstrated his outstanding showmanship and consistently pushed the boundaries of runway events. Robert Fairer's intimate, vibrant full-color photographs of McQueen's collections, taken backstage and on the catwalk when few photographers were allowed access, offer a unique insight into the life and work of one of the world's most captivating figures. This previously unpublished portfolio of stunning, high-energy photographs captures the people and the spirit that made the designer's flamboyant shows unique. Fairer, *Vogue's* backstage fashion photographer for over a decade, was an integral part of the whirl of activity behind the scenes. These images, which capture both the glamor and the grit, represent a new genre of fashion photography and are a treasure-trove of inspiration. This superb book contains an introduction and collections texts by fashion expert Claire Wilcox. Dynamic images of McQueen's collections--thirty of his total of thirty-six shows are presented chronologically--portray behind-the-scenes moments that reveal stylists, models, hairdressers, makeup artists, and McQueen himself at their most candid and creative.

Wild Boy

Gods and Kings

Inspiring lessons on business and life from Frank Savage Frank Savage's is an unlikely success story. Raised in segregated Washington, DC, by his mother, a hairdresser and entrepreneur with little formal education, Savage's career hastened him around the world as a globetrotting financier. From his first banking job at Citibank to his current position as

Chairman Emeritus of Howard University, *The Savage Way* shares the life and business lessons he learned along the way. This memoir relates the many starts and stops, successes and failures in his long career, from his involvement in the collapse of Enron, to his experience investing in Africa, to his days as a competitive yachtsman—always guided by the wisdom of the mother who taught him to transcend all limits. A powerful memoir of an inspiring business leader, Savage is the current Chairman of his alma mater, Howard University, and the CEO of the global financial services company Savage Holdings LLC. A rare and inspiring story of personal and professional challenge and ultimate triumph, *The Savage Way* is a memoir that offers powerful inspiration and wisdom for tomorrow's business leaders.

The Savage Life

Thirty years after the smashing success of *Zelda*, Nancy Milford returns with a stunning second act. *Savage Beauty* is the portrait of a passionate, fearless woman who obsessed Americans ever as she tormented herself. If F. Scott Fitzgerald was the hero of the Jazz Age, Edna St. Vincent Millay, as flamboyant in her love affairs as she was in her art, was its heroine. The first woman ever to win the Pulitzer Prize, Millay was dazzling in the performance of herself. Her voice was likened to an instrument of seduction and her impact on crowds, and on men, was legendary. Yet beneath her studied act, all was not well. Milford calls her book "a family romance"—for the love between the three Millay sisters and their mother was so deep as to be dangerous. As a family, they were like real-life *Little Women*, with a touch of *Mommie Dearest*. Nancy Milford was given exclusive access to Millay's papers, and what she found was an extraordinary treasure. Boxes and boxes of letters flew back and forth among the three sisters and their mother—and Millay kept the most intimate diary, one whose ruthless honesty brings to mind Sylvia Plath. Written with passion and flair, *Savage Beauty* is an iconic portrait of a woman's life.

The Savage Way

DRO is a jackboy who's living THE SAVAGE LIFE with his crew of hittas. Although he gets money by any means, Dro knows that his purpose in the world is more than robbing people and blowing money fast. But the streets is his boo, and he can't seem to walk away from the addictiveness of that life. Things might change when Dro meets FOREVER, a fine, religious woman who sees more in him than a street goon. Forever tries her earnest best to pull him out of the gutter but the gutter won't let him leave. When a deadly encounter claims the life of someone very close to his heart, Dro must decide to live, kill or die. Will the code of the streets force Dro to choose war over everything else? Or will his heart pull him away from the game? Once a savage always a savage? The answer just might get answered in blood.

A Savage Beauty

Beauty and the Beast

Writers and alcohol have long been associated--for some, the association becomes unmanageable. Drawing on rare sources, this collection of brief biographies traces the lives of 13 well known literary drinkers, examining how their relationship with alcohol developed and how it affected their work, for better or worse. Focusing on examples like F. Scott Fitzgerald, Ernest Hemingway, Charles Bukowski and Raymond Carver, the combined biographies present a study of the classic figure of the over-indulging author.

A Savage Dreamland

We're all searching for "the good life." Too often, however, we encounter discouragement, failure, broken relationships, guilt, and dashed dreams, all of which leave us yearning for more. In this book, Tim Savage presents a renewed vision of life by examining the fullest life ever lived: the life of Jesus Christ. Savage invites us to tap into that life—and experience the riches of the joy, satisfaction, and purpose offered to us in Christ.

Writing Under the Influence

A noted biographer and poet illuminates the unique woman who wrote the greatest American love poetry of the twentieth century. *What Lips My Lips Have Kissed* is the story of a rare sort of American genius, who grew up in grinding poverty in Camden, Maine. Nothing could save the sensitive child but her talent for words, music and drama, and an inexorable desire to be loved. When she was twenty, her poetry would make her famous; at thirty she would be loved by readers the world over. Edna St. Vincent Millay was widely considered to be the most seductive woman of her age. Few men could resist her, and many women also fell under her spell. From the publication of her first poems until the scandal over *Fatal Interview* twenty years later, gossip about the poet's liberated lifestyle prompted speculation about who might be the real subject of her verses. Using letters, diaries and journals of the poet and her lovers that have only recently become available, Daniel Mark Epstein tells the astonishing story of the life, dedicated to art and love, that inspired the sublime lyrics of Edna St. Vincent Millay.

Alexander McQueen

Radio legend Michael Savage reveals the man behind the microphone, sharing his extraordinary American journey and the adventures that shaped him. ****FEATURING EXCLUSIVE, NEVER-BEFORE-PUBLISHED NEW MATERIAL**** For twenty-five years, Michael Savage has captivated listeners on his national radio show *The Savage Nation*, which reaches a loyal audience of

more than ten million each week. In *A Savage Life*, the usually private man tells his own compelling story in forty-six vignettes that span his childhood to today. These tales of Savage's journey from poor immigrant's son in New York City to media star are deeply personal and revealing: he writes of being so poor as a child that he had to wear a dead man's pants; of the various trials that beset his parents and "silent brother," Jerome, who was sent to an institution; of his botanical expeditions to Fiji in the 1970's; and, most of all, of his family, his sustaining force throughout. "A marvelous storyteller." — THE NEW YORKER "Vivid storytelling." — WASHINGTON TIMES

The Savage God

An intimate and revealing look at the personal and professional life of the fashion world's most visionary designer. This incredible volume strips away the layers of legend surrounding Alexander McQueen, revealing the sartorial genius and the true history of the man who reinvented modern fashion. Uncovering new details about Lee Alexander McQueen's humble childhood in East London, author Judith Watt traces the young designer's ascent—from his graduate collection at Central Saint Martins School of Art and Design to his over-the-top runway shows to the designs he created just days before his death at age forty. Providing new insights into the dark passion and inspiration that guided each fever-pitched runway show, this fully illustrated portrait delivers a truly comprehensive, in-depth look at the most provocative designer of a generation. Illustrated throughout with McQueen's personal drawings and ephemera as well as a mixture of exquisite catwalk and editorial fashion images, *Alexander McQueen: The Life and the Legacy* is every bit as stunning as the designer himself. With more than 175 full-color photographs

Savage Beauty

A series of photographs depicting the creation of Alexander McQueen's autumn/winter 2008 collection.

Alexander McQueen

A story of man's quest to control the land and nature's refusal to be conquered, of unlikely allies and unexpected love: a young geologist charges into drought-ravaged 1930s Kansas intent on healing the land. A federal worker, she must find her place in a farming town that welcomes neither a woman in authority nor changes to their way of life.

Alexander McQueen

'To write about suicide . to transform the subject into something beautiful - this is the foreboding task that Alvarez set for

himself . he has succeeded.' The New York Times

A Savage Beauty

Growing up in separate walks of life, the chance of BIG TONE, a stick-up kid, and LISA, the proverbial good girl, meeting was small at best. But when they do meet, their unlikely union will take on a whirlwind, criminal romance that produces many casualties. Along the way, Lisa gives birth to a son whose criminal instincts will surpass anything his father ever imagined. With his pops blood flowing through his veins, SAVAGE becomes one of the most feared gangstas in Miami Florida. How will Savage handle himself in a grown man's world, battling envy, hate, and enemies? When Savage meets a plug, his life will change dramatically, but with more money comes more problems. And with the murder rate on the rise, and the Fed's in town, will Savage's empire fall? Or will he outwit the alphabet boys and their nationwide dragnet?

What Lips My Lips Have Kissed

An epic fantasy by Hugo Award-winning author Matt Wallace about a utopian city with a dark secret...and the underdogs who will expose it, or die trying. They call them Savages. Brutal. Efficient. Expendable. The empire relies on them. The Savages are the greatest weapon they ever developed. Culled from the streets of their cities, they take the ones no one will miss and throw them, by the thousands, at the empire's enemies. If they live, they fight again. If they die, there are always more to take their place. Evie is not a Savage. She's a warrior with a mission: to find the man she once loved, the man who holds the key to exposing the secret of the Savage Legion and ending the mass conscription of the empire's poor and wretched. But to find him, she must become one of them, to be marked in her blood, to fight in their wars, and to find her purpose. Evie will die a Savage if she has to, but not before showing the world who she really is and what the Savage Legion can really do.
