Ava's Mate

Another take on magic, this time by the German theosophist, occultist, geomancer and astrologer, Franz Hartmann, whose practical experience makes him well worthy of attention.

Venomous (Alien Warrior)

Elsie has a problem. She has a mystery she is bent on solving, a mystery that led her to run for her life down the streets of Navesink Bank until she found herself rescued by a sexy stranger. Paine has a past. He's done everything in his power to move on from it, to distance himself from the things he has done. But then one night he finds himself saving a woman whose naive dabbling in matters she doesn't understand threatens to drag him right back into the world he had done unspeakable things to escape from in the first place

Finding Focus

Alberto's Lost Birthday

A little boy and his grandfather embark on a quest to find the old man's missing birthday in Diana Rosie's debut novel, Alberto's Lost Birthday. Alberto is an old man. But he doesn't know how old - he remembers nothing before his arrival at an

orphanage during the Spanish civil war. He rarely thinks about his missing childhood, but when seven-year-old Tino discovers his grandfather has never had a birthday party, never blown out candles on a birthday cake, never received a single birthday present, he's determined things should change. And so the two set out to find Alberto's birthday. Their search for the old man's memories takes them deep into the heart of Spain - a country that has pledged to forget its painful past. As stories of courage, cruelty and love unfold, Alberto realises that he has lost more than a birthday. He has lost a part of himself. But with his grandson's help, he might just find it again.

Luther League Review

Valis

Drawing from his personal experience as a practitioner of Buddhist tantra, the author examines the effects of Buddhist practice on personality, autonomy, perception, and health. He discusses what the Buddhist path has to offer Americans and evaluates Buddhism as both a cult and a valid system of personal transformation. Candidly explores such topics as guru devotion.

Carl

Isabeau Fallon, the Fallen Star is one of the finest thieves on Dyson's Ring station--until she's caught by the Skeldhi hunter, Sobehk. Trapped and altered into a Skeldhi-human hybrid sex-pet known as a rehkyt, her past is a closed door--until it literally comes back to haunt her in the form of E'sey Khan. Khan is a Skeldhi Lord Officer intent on taking Fallon, who is actually the Moribund Company's prize code-cracker, away from Sobehk, the one man he ever loved, and making her his very own. Seemingly random accidents and hidden programs converge to prove that there is more going on than the capture of a not-so-simple thief. There is a conspiracy afoot and the small thief from Dyson's Ring station is in it up to her collared throat. Publisher's Note: This book contains explicit sexual content, graphic language, and situations that some readers may find objectionable: Anal play/intercourse, substantial BDSM elements (including/not limited to bondage, domination/submission, whipping), menage (m/m/f), and homoerotic sexual situations (m/m, f/f).

Herald of Gospel Liberty

Hopelessly romantic, curvaceous schoolteacher Jennifer White had always dreamed of a fairy tale wedding. When her banker fiance Seth proposes to her, Jen thinks that dreams really do come true. When Seth reveals himself as a homicidal

con artist and dumps her in the heart of the Serengeti during their vacation, she figures that the fairy tales lied. A lot. Cyeon Rarh is an alpha of an ancient shapeshifter pride. Usually he just gets annoyed when humans carelessly leave stuff in his territory. Cameras, outdoor gear, and occasionally people. Yeah, don't they know humans taste terrible? But there's something intriguing about the sweet Jen with her silky skin, plump breasts and generous hips. His lust burns hot the moment he sees her and claiming her as his own seems to be the most logical thing to do. Once she stops freaking out, of course.

Tangle of Need

Stephan I always thought the gypsies cursed my family centuries ago, but most members of my family feel different, they say we were gifted with prosperity and the ability to know our soul mate. Great, you say, well they forgot to mention when we find our soul mate we turn into possessive cavemen. I never wanted the curse to get me. I was happy with my privileged life, a new woman every night and no one ever saying no to me. I had my life planned out just how I wanted it. That was until I saw her--Jade Black. I knew from the moment I laid eyes on Jade she was mine. My soul mate. The problem is I'm having trouble convincing her.

The Torture Papers

In the secret city of Sobek, Domin Thorne is making his way as the newly chosen *semel-aten*, the leader of the werepanther world. He aspires to make sweeping changes—he's set goals for himself and the people he chose to bring with him, modeling his reign after that of his friend, Logan Church. But Domin may have set too lofty a goal: his normal leadership style isn't working. While juggling a homesick Crane, a moody Mikhail, a bullwhip-wielding Taj, servants with murderous intentions, a visiting ex, and a mate on a dangerous goodwill mission, Domin has to figure out his new role alone. He also must determine how to deal with a conspiracy, all the while falling hard for a man who, for the first time in Domin's life, reciprocates that love. Whether Domin is ready or not, Fate has stepped in to teach him a lesson: internal threats are just as dangerous as external ones.

The Double Mirror

The first book in Philip K. Dick's final trilogy (followed by *The Divine Invasion* and *The Transmigration of Timothy Archer*), *VALIS* encapsulates many of the themes that Dick was obsessed with over the course of his career. A disorienting and bleakly funny novel, *VALIS* (which stands for Vast Active Living Intelligence System) is about a schizophrenic man named Horselover Fat (who just might also be known as Philip Dick); the hidden mysteries of Gnostic Christianity; and reality as

revealed through a pink laser. VALIS is a theological detective story, in which God is both a missing person and the perpetrator of the ultimate crime. Taking place in the same universe as Dick's soon-to-be-published Exegesis, VALIS is a dense novel, but one that is absolutely essential to understanding the author's off-kilter worldview. Much like Dick himself, the reader is left wondering what is real, what is fiction, and what the price is for divine inspiration.

Heroes, Martyrs, and Political Messiahs in Revolutionary Cuba, 1946-1958

Excerpt from The Origin of All Religious Worship Many persons having desired, that I should give to the public an abridgment of ray larger work on the origin of religious Worship, I have concluded not to delay any longer their expectations. I have therefore condensed the work in such a manner as to present the substance of the principles on which my theory is established, and to give an extract of its most important results, without dwelling much on particulars, which may always be found in the larger edition. This synopsis will be found useful even by those who should possess the first, because it will serve as a guide in the study of many volumes, which on account of the nature of the work, places the ordinary reader beyond the circle of learning usually required, in order to read with profit, and without great effort, a work of erudition. They will find there a succinct result of their studies and precisely that which is desirable to be retained in the mind of those who do not wish to give themselves up entirely to the profound study of antiquity, and yet still desire to become acquainted with its religious spirit. As for those who have not access to the larger edition, they will find in this abridgment an extract of the principles of the new system of explanations. and a sufficiently detailed account of the discoveries to which it has led, as also an idea of those more remote consequences which may result to those, who shall pursue still further the study of antiquity on this newly opened route. It will thus offer to both new ideas, which are not in the larger work. I have divested it, as much as the subject allowed, of that learned matter, which would involve an unusual erudition, in order to place it within the reach of the greatest number of readers possible, because the instruction and the happiness of my fellow men has been and shall always be the object of my labors. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. If you could help save the world, would you? That's the choice offered to shy animal empath Kirby Brown by her new friend Faith. Faith is mated to one of a warrior race of werewolves, the only beings who can save the world from merciless demons, and she believes Kirby's abilities can help them in their battle. Intrigued by the strange new world, Kirby is tempted to assist them-especially when she's drawn to the compelling and sexy Rane Wolfen. Immediately upon meeting Kirby, Rane knows she's his mate. Fearing for her safety, he forbids her from using her talents in the brutal battle that is to come. Kirby worries that she's finally escaped her overprotective brothers only to find herself involved with an equally dominating man. Can Kirby and Rane overcome their differences and work together to help save the world? And can Rane convince Kirby that they are indeed destined to be mates? Content Warning: contains a sexy alpha werewolf, graphic sex,

strong language, and violence

The Universalist and Ladies' Repository

This fascinating and thought-provoking book provides much-needed philosophical background for counsellors, therapists and healthcare workers looking for broader, deeper foundations in the struggle to help and make sense of others. While examining the best among twentieth-century philosophy it shows the wealth of inspiration of earlier centuries, and demonstrates with remarkable clarity the way in which the ideas of, and the relations between, these philosophers can inspire, inform and underpin much of counselling and psychotherapy. The author ties the philosophies with practice in a pragmatic and exercise-based way, making it an excellent source for training courses. Each chapter is headed with 'key points' and their application to counselling and psychotherapy, and ends with practical questions, exercises and a detailed bibliography, including extensive listing of relevant websites.

Christian Eschatology and the Physical Universe

"She is mine to protect, mine to shelter, mine to feed and mine to cover. When she is weak, I shall be her strength. She was stolen from her world by our captors. Now her survival is my responsibility. It is her duty to endure my lust, respect my nest mates and honour our union with offspring. I revere this giver of life, as is the way." ~ Venomous One, formerly of Rök, enslaved gladiator Abducted from Earth and transported to a slave planet in an unknown galaxy, Lumen finds herself, shackled, naked and put on display before an alien horde. Told the males will battle for the right to slake their lusts with her body, she would become the slave of slaves. Venomous One, a proud warrior enslaved, has given up hope of returning to his home world and finding a life mate. When a female is tossed into the arena his soul demands he claim her. Winning his mate by Right of Might, he vows to protect Lumen and be a good provider, no matter how ugly her human appearance. Rescued by Venomous' people, the couple face space pirates, the condemnation of an alien government, galactic war, and a deadlier threat from within the warrior's own kindred.

Gleanings in Bee Culture

Kevin is entranced when he finds a pair of sunglasses that turn his desires into reality, but then things start to get out of control.

The American Encyclopaedic Dictionary

This book constitutes the refereed proceedings of the 4th International Conference on Interactive Digital Storytelling, ICIDS 2011, held in Vancouver, Canada, in November/December 2011. The 17 full papers, 14 short papers and 16 poster papers were carefully reviewed and selected from 72 paper and poster submissions. In addition, the volume includes 6 workshops descriptions. The full and short papers have been organized into the following topical sections: interactive storytelling theory, new authoring modes, virtual characters and agents, story generation and drama management, narratives in digital games, evaluation and user experience reports, tools for interactive storytelling.

The Eyes of Kid Midas

Chasing Castles

Sheridan "Dani" Reed is a recently unemployed photojournalist living in New York City. Her boyfriend is vacationing without her, and her best friend has abandoned her for a job in the south. Is a quarter-life crisis a thing? After accepting a freelance job in Louisiana for Southern Style magazine, she feels the bleakness of her life back in New York fading in the rearview mirror. Getting back to her southern roots seems to be just what she needs to lift her spirits and spark her creativity. During her stay, she meets playboy Micah Landry and his colorful family. She knows she should avoid him and keep things professional, but his southern charms are hard to resist. Through the lens of her camera, she finds the beauty and soul of the Landry Plantation, but it's her beauty and soul that capture Micah's attention. When an unexpected phone call takes her back to New York, she's forced to face the life she was trying to escape head on. Will her trip and the Landrys only become fond memories, or will Dani find her way back to them and her beloved south? In their debut novel, Jiffy Kate bring you a story of love, adventure, and finding a place to call home.

Philosophy for Counselling and Psychotherapy

They're not what either one expected or wanted, but they're destined to mate. Ava Wolfen has dreamed of her mate since she was a little girl-a powerful werewolf shifter-but what does fate give her? A shifter-hating military human named Logan Brown. It has only been a few months since Logan learned that werewolves exist. And although they're protectors of the earth and are fighting to save the world from demons and other horrific creatures, Logan despises them. Because of that he's having an extremely difficult time coming to terms with the fact that both his sister and brother have mated with werewolves. And if that wasn't enough, now he finds out he's supposedly destined to mate a werewolf also. Ava and Logan try their hardest to fight fate, not willing to settle for a mate they neither expected nor want. When a girls' night out goes wrong, Logan comes in to help save the day, and in the process he reveals a huge secret of his own.he has supernatural

powers that he's kept hidden. After the rescue, the attraction they've fought for so long becomes undeniable, and they spend an explosive night together. But if they give a relationship a go, will it work, or are they a disaster that's doomed from the start? Content Warning: contains graphic sex, strong language, and violence THIS PRINT EDITION INCLUDES BONUS SHORT STORY: Lexie's Protector

History of Torrington, Connecticut

Gathers documents written by U.S. government officials seeking to establish legal justification for the use of coercive interrogation and torture and to absolve those implementing the policies of any wrongdoing.

Interactive Storytelling

A leading scholar sheds light on the experiences of ordinary Cubans in the unseating of the dictator Fulgencio Batista In this important and timely volume, one of today's foremost experts on Cuban history and politics fills a significant gap in the literature, illuminating how Cuba's electoral democracy underwent a tumultuous transformation into a military dictatorship. Lillian Guerra draws on her years of research in newly opened archives and on personal interviews to shed light on the men and women of Cuba who participated in mass mobilization and civic activism to establish social movements in their quest for social and racial justice and for more accountable leadership. Driven by a sense of duty toward la patria (the fatherland) and their dedication to heroism and martyrdom, these citizens built a powerful underground revolutionary culture that shaped and witnessed the overthrow of Batista in the late 1950s. Beautifully illustrated with archival photographs, this volume is a stunning addition to Latin American history and politics.

The Origin of All Religious Worship (Classic Reprint)

This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Historical Dictionary of the Dirty Wars

All the Parables of the Bible

Carl My family believes they're gifted by gypsies to find their soulmate, but I always thought it was bullshit. I don't think it's a gift. I believe we're cursed. I'm forty five and still haven't found my mate, and my nephews use me as an example to prove my theory that we're cursed. After watching my brothers and two of my nephews find their soulmates, I've given up hope. Now I'm known as the cranky reclusive uncle. I don't care what my family thinks as long as they leave me in peace. Not only am I from one of the most powerful family's, the Silverman's, I'm one of the best doctors in Australia. I devote my days to bettering my skills and don't care how others see me. Everything changes though when I find out the curse is in fact real, and meet my soulmate Annabelle. There's a problem though, she doesn't seem very impressed by me. Annabelle My life changed in a moment when Carl Silverman, pompous know-it-all, kidnapped me from the hospital where I was visiting my mother. He's convinced I-quiet, plain, little old librarian -am his soulmate. I feel a strange pull towards him and I can't deny our attraction, but I don't know if I'm ready for a relationship with someone like Carl.

Fallen Star

This book argues that the Christian understanding of new creation speaks powerfully to both theologians and scientists.

Manual of Psychometry

Discover the exhilarating risks of passion in the breathtaking new Psy-Changeling novel by Nalini Singh, the New York Times bestselling "alpha author of paranormal romance" (Booklist)... Adria, wolf changeling and resilient soldier, has made a

break with the past—one as unpredictable in love as it was in war. Now comes a new territory, and a devastating new complication: Riaz, a SnowDancer lieutenant already sworn to a desperate woman who belongs to another. For Riaz, the primal attraction he feels for Adria is a staggering betrayal. For Adria, his dangerous lone-wolf appeal is beyond sexual. It consumes her. It terrifies her. It threatens to undermine everything she has built of her new life. But fighting their wild compulsion toward one another proves a losing battle. Their coming together is an inferno...and a melding of two wounded souls who promise each other no commitment, no ties, no bonds. Only pleasure. Too late, they realize that they have more to lose than they ever imagined. Drawn into a cataclysmic Psy war that may alter the fate of the world itself, they must make a decision that might just break them both.

One More Bite

It's Jaz Parks. I've already smoked the guy who was the pain in the CIA's you-know-what for the past few years. But now, in the power vacuum left by the death of Edward "The Raptor" Samos, a struggle for supremacy has begun between his former allies. The CIA feels the balance must be maintained. So when an agent planted among the Werens discovers a plot to assassinate the Coven's leader, my vampire boss and I are brought in to take out the woman hired to do the deed, a killer who might be as wily and Gifted as ourselves. So it's off to the Scottish Highlands for some twisted fun among murderers, demons and half-crazed relatives. Sometimes being a top-secret CIA assassin isn't all it's cracked up to be.

Magic, White and Black

This second edition of Historical Dictionary of 'The Dirty Wars' focuses on the period 1954-1990 in South America, when authoritarian regimes waged war on subversion, both real and imagined. This is done through a chronology, an introductory essay, a bibliography, and over 400 cross-referenced dictionary entries on the countries; guerrilla and political movements; prominent guerrilla, human-rights, military, and political figures; local, regional, and international human-rights organizations; and artistic figures (filmmakers, novelists, and playwrights) whose works attempt to represent or resist the period of repression.

Rane's Mate

Crucible of Fate

Long before Dani Reed and Micah Landry, there was the story of Deacon and Camille. Camille Benoit loved to express

herself on canvas and was a dreamer at heart. The small farm she was born and raised on bordered the Landry Plantation, providing her with prime real estate for daydreaming. Even though she spent a lot of time with her head in the clouds, one thing she was always certain about were her feelings for Deacon. He might've been two years older and one of her brother's best friends, but none of that mattered to Cami. Deacon Landry, older brother to Micah, was the local football star. The town might've put him on a pedestal, but he always had his feet firmly planted in the rich Louisiana soil. With all of his skills on and off the field, a good head on his shoulders, and a heart of gold, he was quite the catch, and everyone knew it, especially his long-time best friend, Cami. "I know we've done things slowly, but I've loved you since I knew what it meant to love someone. " He is all her heart has ever known. Her past, present and future. But will the future live up to her dreams? Join Jiffy Kate in this second book of the Finding Focus series as they take you back to where it all started.
