The Unknown God by Robert J. Kerr is Gods biography from the Bible. It is a meticulously researched compilation of scripture outlining more than one thousand aspects of God from seventeen different Bible versions. Learn what God says about Himself: what He has done, what He wants for us, and more. With an accurate understanding of God from the Bible we can discern many aspects of life, why things happen, how to go in the direction we want with our lives, and have the

confidence that we know what God wants for us. This book will profoundly affect your live and wellbeing when you understand more about God, and how the peace of God can rule in your heart. Whether you are a student, teacher, or interested layperson, it gives you the ability to discern and understand current news and media such as when you hear phrases like Acts of God are they really acts of God? The Unknown God makes a great reference guide that will open your heart to understanding and knowing more about God. Get a copy of this insightful book and discover the many truths about the God who made the world and everything in it. Psalms 119:105 Thy word [is] a lamp unto my feet, and a light unto my path. Psalms 119:162 I rejoice at thy word, as one that findeth great spoil. Jeremiah 15:16 Thy words were found, and I did eat them; and thy word was unto me the joy and rejoicing of mine heart: for I am called by thy name, O LORD God of hosts.

Often, while preparing for competitive examinations, students face the dilemma of consulting the right book for the preparation of the English section of various competitive exams. They end up investing on a book that doesn't serve them right. General English for Competitive Examinations, with its fine balance of theory and practice, will make the aspirants stand in a good stead. The book covers many important aspects which are necessary to learn English language properly and wholeheartedly.

QUANTITATIVE APTITUDE AND REASONING

This book, now in its Third Edition, is revised as per the feedback received from our valuable students and readers. It is exclusively prepared for the students who wish to appear for campus recruitment screening test and graduate/post graduate students appearing for various competitive examinations in Quantitative Aptitude and Reasoning. The main objective of this volume is to guide the students to solve the problems within the stipulated time and that too with the higher degree of accuracy. Organized in two parts—Quantitative Aptitude (Part I) and Reasoning (Part II)—it helps students to apply basic mathematical and reasoning concepts to a range of quantitative and reasoning problems. The separate sections are devoted to verbal and nonverbal reasoning. It sharpens the ability to apply analytical and logical thinking while gathering and analysing information, designing and testing solutions to problems, and formulating plans. This book is a valuable resource for conducting training programmes/workshops to train students in problem solving techniques in Mathematical Aptitude. It would equally be useful to the candidates appearing for quantitative aptitude and reasoning test conducted in various competitive examinations of graduate level.
