Secret Letters From 0 To 10

FBI Special Agent Kate Winslow uses her own schemes to outmaneuver charming con man Danny Cole, who becomes an unlikely partner when her next mission pits her against a formidable adversary.

The Secret Lives of Monks

After a bizarre encounter with his lost cousin, Julian Mantle—a former high-powered lawyer who suddenly vanished into the Himalayas—Jonathan Landry is compelled to travel across the planet to retrieve letters and mementos that carry the extraordinary secrets that Julian discovered throughout his life. On a remarkable journey that includes visits to the sensual tango halls of Buenos Aires, the haunting catacombs of Paris, the gleaming towers of Shanghai and the mystical deserts of Sedona, *The Secret Letters of The Monk Who Sold His Ferrari* reveals astounding insights on reclaiming your personal power, being true to yourself and fearlessly living your dreams.

The Secret Life of Bees

Lily is the daughter of a humble farmer, and to her family she is just another expensive mouth to feed. Then the local matchmaker delivers startling news: if Lily's feet are bound properly, they will be flawless. In nineteenth-century China, where a woman's eligibility is judged by the shape and size of her feet, this is extraordinary good luck. Lily now has the

power to make a good marriage and change the fortunes of her family. To prepare for her new life, she must undergo the agonies of footbinding, learn nu shu, the famed secret women's writing, and make a very special friend, Snow Flower. But a bitter reversal of fortune is about to change everything.

Discover Your Destiny

"The story follows Hetty "Handful" Grimke, a Charleston slave, and Sarah, the daughter of the wealthy Grimke family. The novel begins on Sarah's eleventh birthday, when she is given ownership over Handful, who is to be her handmaid. "The Invention of Wings" follows the next thirty-five years of their lives. Inspired in part by the historical figure of Sarah Grimke (a feminist, suffragist and, importantly, an abolitionist), Kidd allows herself to go beyond the record to flesh out the inner lives of all the characters, both real and imagined"--Provided by publisher.

Life Lessons from the Monk Who Sold His Ferrari

A transcendent tale of a woman's self-discovery—the New York Times–bestselling second work of fiction by the author of *The Secret Life of Bees* and the forthcoming novel *The Book of Longings* Inside the church of a Benedictine monastery on Egret Island, just off the coast of South Carolina, resides a beautiful and mysterious chair ornately carved with mermaids and dedicated to a saint who, legend claims, was a mermaid before her conversion. When Jessie Sullivan is summoned home to the island to cope with her eccentric mother's seemingly inexplicable behavior, she is living a conventional life with her husband, Hugh, a life "molded to the smallest space possible." Jessie loves Hugh, but once on the island, she finds herself drawn to Brother Thomas, a monk about to take his final vows. Amid a rich community of unforgettable island women and the exotic beauty of marshlands, tidal creeks, and majestic egrets, Jessie grapples with the tension of desire and the struggle to deny it, with a freedom that feels overwhelmingly right, and with the immutable force of home and marriage. Is the power of the mermaid chair only a myth? Or will it alter the course of Jessie's life? What happens will unlock the roots of her mother's tormented past, but most of all, it will allow Jessie to discover selfhood and a place of belonging as she explores the thin line between the spiritual and the erotic.

The Secret Letters of the Monk Who Sold His Ferrari

Lo! On the second day, God said: let there be light entertainment. And thus were monks created! A book for atheists, agnostics, and perhaps a few believers too, *The Secret Lives of Monks* is your chance to join the only cult that promises more fun than a deep-sea baptism. The monks might not help you save your soul but with their mixture of philosophy, stupidity, wit and irreverence, they might just make you laugh. "Does for monks what Henry VIII did for monasteries."

Family Wisdom from the Monk Who Sold His Ferrari

A shocking ancient secret. The origins of western civilization discovered. The Renaissance-our most fundamental age of technological and artistic advance, was built upon a secret passed down to a banking family in Florence-the Medici. 500 years ago that secret was buried. Florence, Italy, present day. A trove of letters belonging to the Medici family is discovered underground. Archaeologist Kat Cullen comes across a map that leads her to the Swiss Alps where her partner is murdered and she is left for dead. Kat's husband, professor and classicist-Jack Cullen, rushes to investigate. He joins with Chester Allen, a scientist from surveillance enterprise TerraTEK Industries, and together they begin to unravel the mystery of the Medici letters in hopes of determining what happened in the Alps. As they dig deeper, Jack stumbles across a secret-the infamous Medici treasure is real. However, word gets out and Jack soon realizes he's not the only one interested in finding it-a deadly and elusive assassin attempts to seize control, throwing Jack into a series of harrowing escapades-riding horseback through the streets of Siena, discovering clues inside ancient cathedrals, deciphering 500 year-old cryptosystems and navigating an underground labyrinth in order to solve a secret so powerful it could change the world forever. This fast-paced adventure blends together a modern-day treasure hunt with historic accounts of Lorenzo de'Medici in Renaissance Florence in an international thriller with plenty of dark twists and exciting turns.

Only Goodness

Sue Monk Kidd is an extraordinary storyteller. In *"The Secret Life of Bees,"* she explores a young girl's search for the truth about her mother; her courage to tear down racial barriers; and her joy as she claims her place within a community of women. "Beautifully written."--Ursula Hegi, author of *"The Vision of Emma Blau."*

The Secret Life of Bees

"The Practice of the Presence of God" is among the most enduringly popular of all Christian devotional works. It is a collection of conversations with a simple seventeenth-century French Carmelite monk who, through the simplest of everyday activities, was able to achieve a profound intimacy with God. Brother Lawrence's teaching has resonated with Christians for more than three hundred years, and it is fitting that it is now available in this beautiful edition with a fine full-cloth cover, a sewn binding, and a ribbon marker.

Make Time

"A masterpiece of women's wisdom."—Christiane Northrup, M.D. "The journey to capture her feminine soul and live authentically . . . makes a fascinating, well-researched and well-written story."—Publishers Weekly In celebration of the twentieth anniversary of its publication, a newly reissued edition of the bestselling author's classic work of feminine spiritual discovery, with a new introduction by the author. "I was amazed to find that I had no idea how to unfold my spiritual life in a feminine way. I was surprised, and, in fact, a little terrified, when I found myself in the middle of a feminist spiritual reawakening."—Sue Monk Kidd For years, Sue Monk Kidd was a conventionally religious woman. Then, in the late 1980s, she experienced an unexpected awakening, and began a journey toward a feminine spirituality. With the exceptional storytelling skills that have helped make her name, Kidd tells her very personal story of the fear, anger, healing, and freedom she experienced on the path toward the wholeness that many women have lost in the church. From a jarring encounter with sexism in a suburban drugstore, to monastery retreats and to rituals in the caves of Crete, she reveals a new level of feminine spiritual consciousness for all women—one that retains a meaningful connection with the "deep song of Christianity," embraces the sacredness of ordinary women's experience, and has the power to transform in the most positive ways every fundamental relationship in a woman's life—her marriage, her career, and her religion.

The Deal, the Dance, and the Devil

For centuries carved writings and artworks in churches lay largely unnoticed. So archaeologist Matthew Champion started a nationwide survey to gather the best examples. In this book he shines a spotlight on a forgotten world of ships, prayers for good fortune, satirical cartoons, charms, curses, windmills, word puzzles, architectural plans and heraldic designs. Drawing on examples from surviving medieval churches in England, the author gives a voice to the secret graffiti artists: from the

lord of the manor and the parish priest to the people who built the church itself. Here are strange medieval beasts, knights battling unseen dragons, ships sailing across lime-washed oceans and demons who stalk the walls. Latin prayers for the dead jostle with medieval curses, builders' accounts and slanderous comments concerning a long-dead archdeacon. Strange and complex geometric designs, created to ward off the 'evil eye' and thwart the works of the devil, share church pillars with the heraldic shields of England's medieval nobility.

The Robin Sharma Pack

"A charming manifesto—as well as an intrepid do-it-yourself guide to building smart habits that stick. If you want to achieve more (without going nuts), read this book."—Charles Duhigg, bestselling author of The Power of Habit and Smarter Faster

Better From the New York Times bestselling authors of *Sprint*, a simple 4-step system for improving focus, finding greater joy in your work, and getting more out of every day. Nobody ever looked at an empty calendar and said, "The best way to spend this time is by cramming it full of meetings!" or got to work in the morning and thought, "Today I'll spend hours on Facebook!" Yet that's exactly what we do. Why? In a world where information refreshes endlessly and the workday feels like a race to react to other people's priorities faster, frazzled and distracted has become our default position. But what if the exhaustion of constant busyness wasn't mandatory? What if you could step off the hamster wheel and start taking control of your time and attention? That's what this book is about. As creators of Google Ventures' renowned "design sprint," Jake and John have helped hundreds of teams solve important problems by changing how they work. Building on the success of these sprints and their experience designing ubiquitous tech products from Gmail to YouTube, they spent years experimenting with their own habits and routines, looking for ways to help people optimize their energy, focus, and time. Now they've packaged the most effective tactics into a four-step daily framework that anyone can use to systematically design their days. *Make Time* is not a one-size-fits-all formula. Instead, it offers a customizable menu of bite-size tips and strategies that can be tailored to individual habits and lifestyles. *Make Time* isn't about productivity, or checking off more to-dos. Nor does it propose unrealistic solutions like throwing out your smartphone or swearing off social media. Making time isn't about radically overhauling your lifestyle; it's about making small shifts in your environment to liberate yourself from constant busyness and distraction. A must-read for anyone who has ever thought, "If only there were more hours in the day," *Make Time* will help you stop passively reacting to the demands of the modern world and start intentionally making time for the things that matter.

digital distraction and trivial diversions so you enjoy fortune, influence and a magnificent impact on the world Part manifesto for mastery, part playbook for genius-grade productivity and part companion for a life lived beautifully, The 5am Club is a work that will transform your life. Forever.

The Dance of the Dissident Daughter

An absorbing, insightful story from Robin Sharma, bestselling author and internationally-renowned life coach, which unfolds the secrets to living a loving, successful and fulfilled life.

The Book of Longings

"I am Ana. I was the wife of Jesus." So begins the new novel from the number one New York Times bestselling author of The Secret Life of Bees and The Invention of Wings, an extraordinary story set in the first century about a woman who finds her voice and her destiny in a time of great despair and great hope. In her fourth work of fiction, Sue Monk Kidd brings her acclaimed narrative gifts to imagine the story of a young woman named Ana. Raised in a wealthy family in Sepphoris with ties to the ruler of Galilee, she is rebellious and ambitious, a relentless seeker with a brilliant, curious mind and a daring spirit. She yearns for a pursuit worthy of her life, but finds no outlet for her considerable talents. Defying the expectations placed on women, she engages in furtive scholarly pursuits and writes secret narratives about neglected and silenced women. When she meets the eighteen-year-old Jesus, each is drawn to and enriched by the other's spiritual and philosophical ideas. He becomes a floodgate for her intellect, but also the awakener of her heart. Their marriage unfolds with love and conflict, humor and pathos in Nazareth, where Ana makes a home with Jesus, his brothers, James and Simon, and their mother, Mary. Here, Ana's pent-up longings intensify amid the turbulent resistance to the Roman occupation of Israel, partially led by her charismatic adopted brother, Judas. She is sustained by her indomitable aunt Yaltha, who is searching for her long-lost daughter, as well as by other women, including her friend Tabitha, who is sold into slavery after she was raped, and Phasaelis, the shrewd wife of Herod Antipas. Ana's impetuous streak occasionally invites danger. When one such foray forces her to flee Nazareth for her safety shortly before Jesus's public ministry begins, she makes her way with Yaltha to Alexandria, where she eventually finds refuge and purpose in unexpected surroundings. Grounded in meticulous historical research and written with a reverential approach to Jesus's life that focuses on his humanity, The Book of Longings is an inspiring account of one woman's bold struggle to realize the passion and potential inside her, while living in a time, place, and culture devised to silence her.

If You Want It Done Right, You Don't Have to Do It Yourself!

Snow Flower and the Secret Fan

Seven Steps to Leading Your Best Life This deeply engaging story is filled with powerful and practical life lessons that will open you to new possibilities and transform your life forever.

The Mermaid Chair

Siddhartha is a 1922 novel by Hermann Hesse that deals with the spiritual journey of self-discovery of a man named Siddhartha during the time of the Gautama Buddha. The book, Hesse's ninth novel, was written in German, in a simple, lyrical style. It was published in the U.S. in 1951 and became influential during the 1960s. Hesse dedicated the first part of it to Romain Rolland and the second to Wilhelm Gundert, his cousin. The word Siddhartha is made up of two words in the Sanskrit language, siddha (achieved) + artha (what was searched for), which together means "he who has found meaning (of existence)" or "he who has attained his goals". In fact, the Buddha's own name, before his renunciation, was Siddhartha Gautama, Prince of Kapilvastu. In this book, the Buddha is referred to as "Gotama".

Medieval Graffiti

Wisdom to Create a Life of Passion, Purpose, and Peace This inspiring tale provides a step-by-step approach to living with greater courage, balance, abundance, and joy. A wonderfully crafted fable, *The Monk Who Sold His Ferrari* tells the extraordinary story of Julian Mantle, a lawyer forced to confront the spiritual crisis of his out-of-balance life. On a life-changing odyssey to an ancient culture, he discovers powerful, wise, and practical lessons that teach us to: Develop Joyful Thoughts, Follow Our Life's Mission and Calling, Cultivate Self-Discipline and Act Courageously, Value Time as Our Most Important Commodity, Nourish Our Relationships, and Live Fully, One Day at a Time.

The Practice of the Presence of God

The true story that inspired the forthcoming History Channel series "God Code." Imagine you are a young, ambitious, successful appraiser of artifacts and antiquities—your services in demand by many of the most powerful individuals and branches of government in Washington, D. C. Your future could not seem brighter—except for a troubling dream with the same mysterious message on the same exact date three years in a row. Timothy P. Smith, heir to a renowned family business responsible for construction or renovation of some of America's most cherished landmarks, struggled to understand the significance of his recurring dream until he had another dream--one that identified a specific location where it seemed he might find answers to his questions. So Timothy drove to a remote spot in British Columbia. There the adventure--which later led to a startling discovery in the oldest Hebrew text of the Bible--began. It took the convergence of the sacred text, one man's life, and modern computer technology to reveal messages that may explain dramatic world events, as well as influence every person alive today. Welcome to *The Chamberlain Key*. What You Will Discover in *The Chamberlain Key*: • An encrypted code in Genesis, in the oldest known Hebrew text of the Old Testament, centuries before predicted the birth and resurrection of Jesus. • Scientific evidence that this encrypted code was authored by the divine hand

of God. • Signs that there are more encrypted codes in this same Hebrew text that will lead to additional messages from God to humanity • Hidden clues that may lead to the location of long-missing sacred artifacts, such as the Ark of the Covenant • Insights on why Timothy P. Smith was chosen to uncover this encrypted code. • A dire warning that God wants us to hear—and heed. “However one wishes to interpret the meaning and significance of the text, they may rest assured that the text on which Timothy Smith bases his interpretation has almost certainly been there for a very long time, since before the birth of Christ.” —Eugene Ulrich, Ph.D., Department of Theology, University of Notre Dame

Siddhartha

When Ravin first said ‘I love you . . .’ he meant it forever. The world has known this through Ravin’s bestselling novel; I Too Had a Love Story. But did Ravin’s story really end on the last page of that book? On Valentine’s Day; a radio station in Chandigarh hosts a very special romantic chat show. Ravin and his three best friends are invited as guests to talk about Ravin’s love story. But surprisingly everyone apart from Ravin turns up. As the show goes live; there is only one question in every listener’s mind: what has happened to Ravin? To answer this question the three friends begin reading from a handwritten copy of Ravin’s incomplete second book—the entire city listens breathlessly; unable to believe the revelations that follow.

Can Love Happen Twice?

The Medici Letters

What would you do for five million dollars? Adam and Evia Langston have lived in their own little garden of Eden since the two married at the age of seventeen. Working their way up from the humblest of beginnings, the Langstons have thrived beyond anything they could have ever imagined. Now they live in the finest home, drive the best cars, and indulge in all the trimmings that signify their massive success. But then the recession hits and rips apart the family’s financial stability. Unable to support their three children and other relatives, Adam and Evia find themselves drowning in financial trouble and teetering on the brink of complete disaster. With nowhere to turn, the Langstons have no idea what to do. Until Shay-Shaunté, Evia’s multimillionaire boss, comes to the Langstons with a five-million-dollar offer that seems so hard to refuse. Will the Langstons make this deal? Or will they recognize that the glitter of five million dollars may be far from gold?

The Traveler's Gift

Ten-year-old Ernest lives a flat, colorless life. Each day is the same: he comes home right after school, eats a healthy snack, and does his homework. Enter Victoria, the new girl in class. Victoria instantly falls in love with Ernest, and bulldozes her way into his life. Much to Ernest's surprise, he likes it. Bit by bit, color seeps into Ernest's humdrum existence--and he begins to realize that life can hold an endless variety of love, friendship, adventure, and change."Quirky characters, heightening suspense, and hilarious situations are deftly combined in this tender novel, which examines a few of the large and small ways people affect one another." --Booklist, starred review

The Monk

Jay Shetty, social media superstar and host of the #1 podcast On Purpose, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear -Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the Forbes magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, On Purpose, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, Think Like a Monk reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.
