Fantasy fans of Rick Riordan's Percy Jackson and John Flanagan's Ranger's Apprentice series will embrace this first novel in

an adventure-filled, Viking-inspired series by a debut author. Meet Karn. He is destined to take over the family farm in Norrøngard. His only problem? He'd rather be playing the board game Thrones and Bones. Enter Thianna. Half human, half frost giantess. She's too tall to blend in with other humans but too short to be taken seriously as a giant. When family intrigues force Karn and Thianna to flee into the wilderness, they have to keep their sense of humor and their wits about them. But survival can be challenging when you're being chased by a 1,500-year-old dragon, Helltoppr the undead warrior and his undead minions, an evil uncle, wyverns, and an assortment of trolls and giants. Readers will embark on a sweeping epic fantasy as they join Karn and Thianna on a voyage of discovery. Antics and hair-raising escapades abound in this fantasy adventure as the two forge a friendship and journey to unknown territory. Their plan: to save their families from harm. Debut novelist Lou Anders has created a rich world of over twenty-five countries inhabited by Karn, Thianna, and an array of fantastical creatures, as well as the Thrones and Bones board game. Praise for Frostborn: "Future fans of Tolkien and George R.R. Martin can happily cut their serial-fantasy teeth on this first book of an eventual series." -Kirkus Reviews "A fun, fast-paced, and highly enjoyable tale." -Garth Nix, bestselling author of the Abhorsen trilogy "a powerful, fast-paced tale The setting is rich, the characters well-defined, and the danger ever-paramount." -Publishers Weekly, starred "an excellent choice for readers new to the genre. The themes of staying true to oneself, teamwork, and individuality will resonate with readers." -School Library Journal "this accessible fantasy brings together two very different children bound by common goals." -Booklist "The most delightful fantasy I have read in ages. . . . Put me on the waiting list for book 2!" -Amy Plum, international bestselling author of the Die For Me series From the Hardcover edition.

Tom Clancy's Splinter Cell Blacklist

With the release of The Old Hunters, Bloodborne becomes complete. And since the expansion is worthy of its own guide, here we go again: our Bloodborne Collector's Edition Guide is about to get the perfect companion. With the same understated look, unparalleled detail and luxurious extra content, these two books are designed -- inside and out -- to sit side-by-side. The original Bloodborne Collector's Edition Guide is one of the highest rated and best-received game books ever made, and we're giving The Old Hunters the same treatment. Whether you want to fully explore the new areas, learn everything there is to know about each new weapon and character, understand the intricate Lore or admire the work of FromSoftware's concept artists, you'll have a single, invaluable resource to delve into. A Whole New Game: an entire chapter dedicated to highlighting the ways Bloodborne has changed since its release and analyzing how The Old Hunters impacts progression through the full game. Hunting the Nightmare: using our unique hybrid area guide format, exclusive, beautifully illustrated maps take you through the new areas the way you want -- either follow along a route or focus on a single location -- you determine the pace of action. Twice the Arsenal: the Old Hunters almost doubles your available tools, so the possibilities in combat have increased exponentially. Find out not only how every new weapon, spell and Caryl Rune works and is used most efficiently, but how they affect Bloodborne's existing arsenal as well. The Most Lethal Enemies: new nightmare creatures are introduced in The Old Hunters, and -- here's a promise -- they're the toughest and most lethal you'll have faced in Bloodborne. We've dedicated countless hours to turn killing each of them into a science you can rely upon, no matter what play style or equipment you prefer. Interconnected Lore: detailing NPC quests and character interactions is no longer just an invaluable extra -- it's our aim to provide the most complete look at Bloodborne's story and character connections available anywhere! Every important line of text or dialog that links one place or character to another is laid out in an intuitive format for clarity and reference. Extended Art: we've made it our highest priority to

showcase FromSoftware's glorious original and newly created artwork on lavishly designed pages. Each piece is displayed sharp and in full size for your viewing pleasure.

"The game takes place in the fantasy world of Eora, mainly inside the nation of Dyrwood. The infants in Dyrwood are plagued by a recent phenomenon in which they become "hollowborn" upon birth, meaning they are born with no soul. During the beginning of the game, the protagonist experiences an awakening of power due to a disastrous supernatural event, discovering they are a "Watcher": a person who can see souls and past lives. The objective of the game is to find out what caused their awakening and how to solve the hollowborn problem."--Wikipedia.
