Quran in English

Advanced Spoken English

Real Estate Record and Builders' Guide

Perhaps the best Quran English translation. It is clear, easy to read, and very faithful to the Arabic original. It closely follows the Arabic text, and often reminds the reader of the Arabic original. It uses today's English language, and today's English vocabulary, thus it is easy to read and understand. The flow is smooth, the sentence structure is simple, the meaning is clear. This Quran translation has no interpretations, no footnotes, and no explanations. It is a pure translation of the Quran, from Arabic to English, and it does not try to emphasize any school of thought. The text purely and accurately translates the Holy Quran, from Arabic, into contemporary English. It was translated by a Muslim, who saw firsthand the miracles inside the Quran. His native language is Arabic; his everyday language is American English. For 15 years, he studied the Quran. For many years, he translated speech between his mother and his wife. For a living, he develops quality software. This Quran translation is available in two editions. This edition (B) uses the word "God" to refer to the Creator. Edition (A) uses the word "Allah". Quran Sura 81. The Rolling. at-Takwir. In the name of God, the Gracious, the Merciful. 1. When the sun is rolled up. 2. When the stars are dimmed. 3. When the mountains are set in motion. 4. When the relationships are suspended. 5. When the beasts are gathered. 6. When the oceans

are set aflame. 7. When the souls are paired. 8. When the girl, buried alive, is asked: 9. For what crime was she killed? 10. When the records are made public. 11. When the sky is peeled away. 12. When the Fire is set ablaze. 13. When Paradise is brought near. 14. Each soul will know what it has readied. 15. I swear by the galaxies. 16. Precisely running their courses. 17. And by the night as it recedes. 18. And by the morn as it breathes. 19. This is the speech of a noble messenger. 20. Endowed with power, eminent with the Lord of the Throne. 21. Obeyed and honest. 22. Your friend is not possessed. 23. He saw him on the luminous horizon. 24. And He does not withhold knowledge of the Unseen. 25. And it is not the word of an accursed devil. 26. So where are you heading? 27. It is only a Reminder to all mankind. 28. To whoever of you wills to go straight. 29. But you cannot will, unless God wills-The Lord of the Worlds. The Quran is the last Book from the Creator. It contains guidance, mercy, and healing. The Quran is a blessing, within reach.

Biographies of World Famous Leaders

In a heart-wrenching, candid autobiography, a human rights activist offers a firsthand account of war from the perspective of a former child soldier, detailing the violent civil war that wracked his native Sierra Leone and the government forces that transformed a gentle young boy into a killer as a member of the army. 75,000 first printing.

Chemistry-vol-I

A series of seminal technological revolutions has led to a new generation of electronic devices miniaturized to such tiny scales where the strange laws of quantum physics come into play. There is no doubt that, unlike scientists and engineers of the past, technology leaders of the future will have to rely on quantum mechanics in their everyday work. This makes teaching and learning the subject of paramount importance for further progress. Mastering quantum physics is a very non-trivial task and its deep understanding can only be achieved through working out real-life problems and examples. It is notoriously difficult to come up with new quantum-mechanical problems that would be solvable with a pencil and paper, and within a finite amount of time. This book remarkably presents some 700+ original problems in quantum mechanics together with detailed solutions covering nearly 1000 pages on all aspects of quantum science. The material is largely new to the English-speaking audience. The problems have been collected over about 60 years, first by the lead author, the late Prof. Victor Galitski, Sr. Over the years, new problems were added and the material polished by Prof. Boris Karnakov. Finally, Prof. Victor Galitski, Jr., has extended the material with new problems particularly relevant to modern science.

Death at My Doorstep

India's best known boxer, five times World Champion and an Olympic medallist, Mary Kom tells the moving and inspiring story of her life with surprising honesty. 'My years of hard work, the refusal to give up, pushing every boundary there was. The thrill, the joy of winning, the successes. The Olympic bronze, my most prized possession. And boxing, the sport I gave myself to. All of it is real. I was the David who took on

the Goliaths in the boxing ring - and I won, most of the time.' Mangte Chungneijang Mary Kom. Queen of the Indian boxing ring. The winner of five World Championships and an Olympic medal. Born to parents who were landless agricultural labour in the state of Manipur, Mary's story is one of relentless struggle and unflagging passion for the sport of boxing. A childhood of hard labour prepared her body for the sport as well as any fitness training might have. Her own will and aggression carried her through the minefield of politics that any sport in India is. Nimble of foot and pulling no punches, the boxing ring was her dominion.
