Witch Hunt

As time passes things do change. When I was a child coon hunting and selling furs was a must for many families to survive. Some families lived on wild game through the winter for survival for their families. You will read all about this in the stories that I have collected from avid coon hunters. I have lived in Schuyler County all my life, I have had a lot of things happen in my sixty-nine years. I have been run off the road by other drivers, also did things that people go to jail for today. I also coon hunted from the time I was able to. I been lost many a night, ran out of gas on the river with other hunters, but it never stopped us from going again the next night. When buying furs some people did not know one animal from another, as you will read in on of my friends story, who was also a fur buyer. If you have hunted at all you will enjoy this book and will even bring some of your own memories alive.

From a USA Today bestselling author who RaeAnne Thayne calls "heartfelt and delightful" comes a charming novella in the Christmas Colorado series about a small town boutique owner finding her second chance at love. Sophia Dane's life is back on track. After losing her husband in a horrible accident, she's finally in a happy place. She turned her grief, guilt, and -- most of all -- the resentment her husband's family heaped on her after Bryce's death, into motivation to open a boutique on Main Street in the small-town of Christmas, Colorado. Ready to start anew and ring in the New Year with her friends, Sophie never expects to come face-to-face with her brother-in-law, Adam. Coming home to Christmas was the last thing that Adam

Dane wanted to do. But when he bumps into Sophia -- his brother's widow who he's been in love with since forever -- he realizes that making the trip home was fate giving him a second chance. Unfortunately, she wants nothing to do with him after the way his family treated her. Adam knows he has a lot of making up to do, but first he needs to convince her to trust him -- and his family -- again.

Curiosity wins out and Rebecca visits Catrina who vehemently denies her guilt. She wants Rebecca to research her case, write her story, and hopefully find something that will exonerate her. Skeptical and unsympathetic, Rebecca agrees to listen to her story, only to come away with growing doubts about Catrina's guilt. Against everyone's advice, she begins to delve into the heinous murder, and Catrina's warning comes back to haunt her: "Be careful. We're Going on a Bear Hunt: Christmas Activity Book

THE NEW YORK TIMES BESTSELLER "My favorite kind of whodunit, kept me guessing all the way through, and reminiscent of Agatha Christie at her best -- with an extra dose of acid." -- Alex Michaelides, author of the #1 New York Times bestseller

The Silent Patient Everyone's invited everyone's a suspect During the languid days of the Christmas break, a group of thirtysomething friends from Oxford meet to welcome in the New Year together, a tradition they began as students ten years ago. For this vacation, they've chosen an idyllic and isolated estate in the Scottish Highlands—the perfect place to get away and unwind by themselves. The trip begins innocently enough: admiring the stunning if foreboding scenery, champagne in front of a crackling fire, and reminiscences about the past. But after a decade, the weight of secret resentments has grown too heavy for the group's tenuous nostalgia to bear. Amid the boisterous revelry of New Year's Eve, the cord holding them together snaps, just as a historic blizzard seals the lodge off from the outside world. Two days later, on New Year's Day, one of them is dead. . . and another of them did it. Keep your friends close, the old adage says. But how close is too close? DON'T BE LEFT OUT. JOIN THE PARTY NOW.
