You're Finally Here!

An acclaimed author and a #1 New York Times bestselling illustrator team up to bring us a funny, warm, and utterly winning chapter book that follows, day by day, the first hundred days in one first grader's classroom. In just one hundred days, Harry will learn how to overcome first-day jitters, what a "family circle" is, why guinea pigs aren't scary after all, what a silent "e" is about, how to count to 100 in tons of different ways, and much more. He'll make great friends, celebrate lots of holidays, and learn how to use his words. In other words, he will become an expert first grader. Made up of one hundred short chapters and accompanied by tons of energetic illustrations from bestselling illustrator of The Good Egg and The Bad Seed, this is a chapter book all first graders will relate to--one that captures all the joys and sorrows of the first hundred days of school.

How I Spent My Summer Vacation

The Strategic Teacher

Everything you need for a fantastic first year!

Homeschooling 101

A young girl asks questions about growing up as she walks over rolling hills, climbs a ladder up to the stars, and meets a dragon.

The First Six Weeks of School

31 mini-lessons help you establish the habits, rules, procedures, and skills students need during small-group and independent reading.

The Leader in Me

Describes the philosophy of the Daily 5 teaching structure and includes a collection of literacy tasks for students to complete daily.

The Principal's Guide to the First 100 Days of the School Year

From the Disney Teacher of the Year and New York Times bestselling author comes the classic guide to bringing out the best in your students, revised and updated for today's teachers and parents. Over 1 million copies sold! When Ron Clark walked into his fifth-grade class in rural North Carolina, he was confronted with disinterested children in desperate need of structure and compassion. Brainstorming how best to reignite their love of learning, Ron created 55 lessons. Soon his fifth graders were reading at a sixth-grade level, engaging in class, and loving school. What's more, they were gaining something crucial: self-respect. These lessons evolved into *The Essential 55* - guidelines for students on how to live and interact with others. Ron lit a fire under parents and teachers around the world to raise their standards and expect the most from their students. *The Essential 55* features a new foreword from Ron and a fresh take on his classic rules, with eight new and updated guidelines. Ron's 55 ideas show that with determination, discipline, and regular rewards, the children you stick by will be the children you come to admire.

Getting Off to a Good Start

In this national bestseller based on Harvard Medical School and Harvard School of Public Health research, Dr. Willett explains why the USDA guidelines--the famous food pyramid--are not only wrong but also dangerous.

The Classroom Management Book

It's the first day of school and George has been invited to Mr. Apple's class to be a special helper! George is just the right monkey for the job—that is, until he starts to make his usual mischief. A mixture of red and yellow paint makes orange . . . a mixture of yellow and blue makes green. . . . and a mixture of all the paint colors makes a big mess! After a speedy adventure up and down the halls of the school, George and Mr. Apple clean up the classroom—with a little help from George's new friends.

How to Survive and Thrive in the First Three Weeks of School

Best-selling author Elaine McEwan demonstrates how teaching routines, rubrics, and rules during the first three weeks of school leads to higher achievement through the rest of the year!

There

The New Teacher's Complete Sourcebook

Over 3 million copies have been sold of the preeminent book on classroom management and teaching for lesson achievement. The book walks a teacher, either novice or veteran, through the most effective ways to begin a school year and continue to become an effective teacher. This is the most basic book on how to teach. Every teacher and administrator needs to have a copy. The book is used in thousands of school districts, in over 65 countries, and in over 1000 college classrooms. It works and it's inspiring. Included in this 3rd edition is a free 38 minute Enhanced CD, Never Cease to Learn. This bonus CD features Harry Wong with a special introduction by Rosemary Wong. The motivational message delivered is one all educators must hear and see.

Simplicity Parenting

It's the first day of school at Frederick Douglass Elementary and everyone's just a little bit nervous, especially the school itself. What will the children do once they come? Will they like the school? Will they be nice to him? The school has a rough start, but as the day goes on, he soon recovers when he sees that he's not the only one going through first-day jitters.

The First 30 Days of School: Routines & Rituals 3-6

A guide for teachers at any level shares ideas on classroom management and designing lessons for academic success.

Emily's First 100 Days of School

No share time! Only one recess! Writing is hard! The stories don't end right! FIRST GRADE STINKS! It is the first day of school and Hayley is excited. Things are different now. She is a first grader. Hayley quickly finds out that first grade is different from kindergarten, but in all the wrong ways! The classroom isn't as bright and colorful. Ms. Gray doesn't seem to smile as much as her kindergarten teacher did, and there isn't enough time to play outside. Finally, Hayley has had enough. "First grade stinks!" she shouts. The classroom is suddenly very quiet. But to Hayley's surprise Ms. Gray doesn't look mad at all. Young readers will immediately empathize with Hayley and her increasing apprehension, as she explores new expectations and challenges on the first day of a new school year.

The First Six Weeks of School

A guidebook for K-6 teachers offers tips for structuring the first six weeks of school to provide a foundation for a productive year of learning.

Your First Year

This second edition of a teacher favorite features a fresh, easy-to-use layout including color coding by grade level, more support for student engagement in academics, greater emphasis on the effective use of teacher language, and a dedicated chapter on the all-important first day of school.

The Daily 5

Some kids spend their summer vacation at camp. Some kids spend it at Grandma's house. Wallace Bleff spent his out west on a ride, a rope, and a roundup he'll never forget.

Learning to Teach

The first month of each school year is the critical time for helping your students develop the habits of successful learners. These comprehensive guides each include 30 grade-appropriate mini-lessons, one for each of the first 30 days of school.

The CAFE Book

"I hold this book to be the most important expression which the present age has found; it is a book to which we are all

indebted, and from which none of us can escape." T.S. Eliot Ulysses depicts a day in Leopold Bloom's life, broken into episodes analogous to Homer's Odyssey and related in rich, varied styles. Joyce's novel is celebrated for its depth of learning, earthy humor, literary allusions and piercing insight into the human heart. First published in Paris in 1922 Ulysses was not published in the United States until 1934. Immediately recognized as an extraordinary work that both echoed the history of English literature and took it in new, unheralded directions, Joyce's book was controversial. Its widespread release was initially slowed by censors nitpicking a few passages. The novel is challenging, in that it is an uncommon reader who will perceive all that Joyce has put into his pages upon first reading, but it is uniquely rewarding for anyone willing to follow where the author leads. Far more than a learned exercise in literary skill, Ulysses displays a sense of humor that ranges from delicate to roguish as well as sequences of striking beauty and emotion. Chief among the latter must be the novel's climactic stream of consciousness step into the mind of the protagonist's wife, Molly Bloom, whose open-hearted acceptance of life and love is among the most memorable and moving passages in English literature. With an eye-catching new cover, and professionally typeset manuscript, this edition of Ulysses is both modern and readable.

First Grade Stinks!

Everyone knows that sinking feeling in the pit of the stomach just before diving into a new situation. Sarah Jane Hartwell is scared and doesn't want to start over at a new school. She doesn't know anybody, and nobody knows her. It will be awful. She just knows it. With much prodding from Mr. Hartwell, Sarah Jane reluctantly pulls herself together and goes to school. She is quickly befriended by Mrs. Burton, who helps smooth her jittery transition. This charming and familiar story will delight readers with its surprise ending. Fun, energetic illustrations brighten page after page with the busy antics surrounding Sarah Jane. FIRST DAY JITTERS is an enchanting story that is sure to be treasured by anyone who has ever anticipated a first day of school.

Curious George's First Day of School

Now in its third edition, this bestseller has remained popular, relevant, and a must-read for new teachers, mentors, administrators, and staff development professionals. Appropriate for individual or collaborative study, this book provides simple, practical solutions to the challenges experienced by both new and veteran teachers, including: • managing the classroom; • handling discipline problems; • dealing with challenging students, coworkers, and parents; • planning lessons effectively and managing time wisely; • accommodating individual differences in students; • getting students excited about learning; • and much, much more. In this new edition, you'll find advice on incorporating technology into your lessons and using social media to connect with others. You'll also find new Ask Yourself questions (following each of the 101 Answers) and Chapter Highlights to help you apply the ideas in your own classroom. These resources are available in the book and on

our website for easy download. Though written for new teachers, the book's practical, easy-to-implement strategies will appeal to teachers of any grade level, subject area, or level of expertise, as well as to mentors, induction coordinators, or anyone seeking to find answers to classroom challenges and improve teaching skills.

First Day Jitters

"Gardner's memoir places his work on multiple intelligences within the arc of his academic career, and presents a defense of the scholarly and public value of powerful 'works of synthesis.'"--

Ulysses

"Weird Al" Yankovic's new tale of Billy, the irrepressible star of the New York Times bestselling *When I Grow Up*, is an uproarious back-to-school delight. Dazzling wordplay and sparkling rhyme combine in a unique appreciation of the rewards of unabashed originality and the special joy of viewing the world gently askew.

School's First Day of School

Instructs educators on using the CAFE system to develop student's reading skills and promote comprehension, including information on tracking growth and how to talk to students.

The First 30 Days of School Routines & Rituals K-2

A blend of research on teaching with the practical insights of experienced teachers.

Principal Matters

Learn all the essentials for making your first year of teaching a success! In this exciting new book, internationally renowned educator Todd Whitaker teams up with his daughters--Madeline, an elementary teacher, and Katherine, a secondary teacher--to share advice and inspiration. They offer step-by-step guidance to thriving in your new role and overcoming the challenges that many new teachers face. Topics include: Learning classroom management skills such as building relationships and maintaining high expectations and consistency Setting up your classroom and establishing procedures and rules Planning effective lessons and making your instructional time an engaging experience Managing your own emotions in the classroom and dealing effectively with misbehavior Working with peers, administrators, and parents to

build support and foster collaboration The book is filled with specific examples and vignettes from elementary, middle, and high school classes, so you'll gain helpful strategies no matter what grade level and subject area you teach. You'll also find out how to make tweaks or hit the "reset" button when something isn't going as planned. Things may not always go perfectly your first year, but the practical advice in this book will help you stay motivated on the path to success! Bonus: As you read the book, get even more out of it by discussing it with others. Free study guides for practicing teachers and student teachers are available as eResource downloads from our website (www.routledge.com/products/9781138126152).

Harry Versus the First 100 Days of School

"Integrating discipline and instruction, K-12"--P. [4] of cover.

101 Answers for New Teachers and Their Mentors

Harness the power of messaging to create a positive school culture and increase school and community collaboration. Written for school leaders, this title is divided into three parts. Each part helps readers to maximize their role as chief communicators with different stakeholders: students, teachers, and parents and community. Each chapter includes suggestions for using digital tools to enhance communication and ends with reflection questions and practical next steps. How this book will help you foster school community and improve your communication strategy: Comprehend the power of messaging and public relations in school. Gain tips for how to best use available technology tools, including online platforms, for messaging purposes. Inspect scenarios and real anecdotes that show communication strategies and messaging tactics in action in schools. Learn how to implement positive communication with parents and students from the start of the school year. Explore special strategies for communicating with challenging students or in difficult school climates. Contents: Introduction: Why Messaging Matters Chapter 1: Building a Positive Culture for Messaging Chapter 2: Cultivating a Positive Message With Teachers Chapter 3: Using Technology to Message With Teachers Chapter 4: Cultivating a Positive Message With Students Chapter 5: Using Technology to Message With Students Chapter 6: Cultivating a Positive Message With the Community, Parents, and Beyond Chapter 7: Using Technology to Message With the Community, Parents, and Beyond Epilogue References and Resources Index

The First Days of School

Outlines a four-step program for decluttering a home, increasing a child's sense of security, scheduling down time, and instilling calmness in the face of hectic environments.

Tools for Teaching

Starting with number one for the first day of school, Emily learns the numbers to one hundred in many different ways.

The Growth Mindset Coach

This is a solutions book that shows how to organize and structure a classroom to create a safe and positive environment for student learning and achievement to take place. It offers 50 procedures that can be applied, changed, adapted, and incorporated into any classroom management plan. Each procedure is presented with a consistent format that breaks it down and tells how to teach it and what the outcome of teaching it will be. While all of the work and preparation behind a well-managed classroom are rarely observed, the dividends are evident in a classroom that is less stressful for all and one that hums with learning.

My New Teacher and Me!

An introduction to leadership draws on a program developed for an elementary school to show how to apply the principles of "The 7 Habits of Highly Effective People" to help everyone, including young children, identify and use their individual talents.

The DVD comes with a free copy of What Great Teachers Do Differently as well as a Facilitator's Guide.

Eat, Drink, and Be Healthy

A zany picture book that will resonate with anyone who's ever been kept waiting. The latest from the creator of the best-selling Scaredy Squirrel series stars a hilariously needy and impatient bunny. This is no ordinary picture-book character, and it will quickly become clear that this is no ordinary picture book ? namely because you, the reader, are on the spot. You're late! At first, this little bunny is deliriously excited by your arrival, but now that you're finally here, he wants to know: where were you? He's been waiting long enough to learn an accordion solo, among other time-consuming pursuits. After he's shown you how it feels to be kept waiting and just when he's finally satisfied that you're a good steady page-turner who's here to stay, something happens to turn the tables. The result is an off-beat ending worth waiting for!

What Great Teachers Do Differently

For veteran principals, new principals, and aspiring principals, this book is a valuable resource for building instructional momentum during the beginning of the school year. Educational leadership expert Shawn Joseph guides administrators through five key areas: Vision Instructional Leadership Politics Data Planning With detailed timelines, practical advice, and ready-to-use resources, Joseph explains the essential steps to leadership success that will continue throughout the school year. Supplemental Downloads available to book-buyers!

Messaging Matters

Leadership is not easy. It requires motivation, action, and courage. Principal Matters is a great resource for motivation and practical strategies for principals or school leaders who want to invest in self-growth that leads to flourishing service, instead of burnout. William D. Parker offers insights from over twenty years of experience as an educator, and over ten years as a school administrator. You are invited to this one-on-one conversation to learn how to better understand your purpose, lead others, influence change, and successfully manage the challenges of school leadership. Whether you are an aspiring principal or leading your own building or district, you will find Principal Matters both inspiring and instructive. One

reader called it, "Chicken Soup for the Principal's Soul!" Read ahead for insight into how to lead with courage, action, motivation, and teamwork! Here's some feedback from some others who recommend the book: "Will is a great storyteller, and his use of these connections makes this book easy to read but also memorable. His focus on 'purpose'-going beyond what you do in school-is something that all leaders should really consider if they are going to make a difference in both their professional and personal lives." -George Couros, Principal, founder of ConnectedPrincipals.com, and an Innovative Teaching, Learning and Leadership consultant "Will generously shares experiences from his personal and professional life to remind principals of the big picture as well as the small details that are essential to the success of our school communitiesBeing a school leader can be lonely work, as the role of principal is only truly understood by those who have served in the position. Mr. Parker has utilized his time occupying the principal's office to develop practical yet inspiring tips for administrators. I'm excited to politely steal many of his great ideas with my own students and staff this school year!" -Rachel Skerritt, Principal of Eastern Senior High School, a D.C. Public School. 2013 Principal Ambassador Fellow for the U.S. Department of Education "Will writes with passion, conviction and insight. This book will equip you with the tools you'll need to face the frustrations you're sure to encounter as an educator, while enabling to you find renewed purpose and meaning as you influence your students to be the best they can be." -Daniel Wong, author of The Happy Student "This book explains the why of school leadership, not just the how. If you want to understand the right motives for school leadership and the steps to being a successful principal, you should read, Principal Matters by William D. Parker." -Jon Gordon, author of The Energy Bus and Soup This book captures the essence of effective teamwork and leadership. A great read for school administrators!"-Annette Breaux, educator, co-author with Todd Whitaker of The Ten Minute Inservice
