The Adventures of Super Stew

Three brothers and their relations in 19th century Russia provide the base for a sweeping epic overview of human striving, folly and hope. First published in 1880, The Brothers Karamazov is a landmark work in every respect. Revolving around shiftless father Fyodor Pavlovich Karamazov are the fates of his three sons, each of

whom has fortunes entwined with the others. The eldest son, Dimitri, seeks an inheritance from his father and becomes his rival in love. Ivan, the second son, is so at odds with the world that he is driven near to madness, while the youngest, Alexi, is a man of faith and a natural optimist. These personalities are drawn out and tested in a crucible of conflict and emotion as the author forces upon them fundamental questions of morality, faith, reason and responsibility. This charged situation is pushed to its limit by the addition of the unthinkable, murder and possible patricide. Using shifting viewpoints and delving into the minds of his characters, Dostoevsky adopted fresh techniques to tell his wide-reaching story with power and startling effectiveness. The Brothers Karamazov remains one of the most respected and celebrated novels in all literature and continues to reward readers beyond expectation. With an eye-catching new cover, and professionally typeset manuscript, this edition of The Brothers Karamazov is both modern and readable.

Get Lucky

Journey to the Center of Santorini, Greece! "Greece is the most magical place on Earth." -Kylie Bax And a vacation in the Greek Islands will cast a magical spell it'll take you weeks to recover from! Make Way for Sam Houston

Wanting her could destroy us.Touching her could start a war.But the consequences

stopped mattering the moment we knew she'd be ours. Now sharing her is our obsession, and we won't be stopped.

Half Magic

Ann Hamilton's family has moved to the western frontier of Pennsylvania, and she misses her old home in Gettysburg. There are no girls her age on Hamilton Hill, and life is hard. But when the Hamiltons survive a terrible storm and receive a surprise visit from George Washington, Ann realizes that pioneer life is exciting and special.

Homesick

This biography of Elizabeth Cady Stanton is as spirited as the women's rights pioneer herself. Who says women shouldn't speak in public? And why can't they vote? These are questions Elizabeth Cady Stanton grew up asking herself. Her father believed that girls didn't count as much as boys, and her own husband once got so embarrassed when she spoke at a convention that he left town. Luckily Lizzie wasn't one to let society stop her from fighting for equality for everyone. And though she didn't live long enough to see women get to vote, our entire country benefited from her fight for women's rights. "Fritz imparts not just a sense of Stanton's accomplishments but a picture of the greater society Stanton strove to

change. Highly entertaining and enlightening." — Publishers Weekly (starred review) "This objective depiction of Stanton's life and times makes readers feel invested in her struggle." — School Library Journal (starred review) "An accessible, fascinating portrait." — The Horn Book

The King of Madison Avenue

In the days before microphones and TV interviews, getting people to listen to you was not an easy task. But James Madison used his quiet eloquence, intelligence and passion for unified colonies to help shape the Constitution, steer America through the turmoil of two wars, and ensure that our government, and nation, remained intact. "An excellent, fascinating, indispensable resource." —Kirkus Reviews, pointer review "The book is rich in the sort of detail that illuminates the man, but is not limited to personal information; a great deal of government history is woven into the biography." —Horn Book, starred review "Fritz has given a vivid picture of the man and an equally vivid picture of the problems that faced the leaders of the new nation in the formative years." —The Bulletin of the Center for Children's Books, starred review "Young readers will feel like they know the 'Great Little Madison' very well." —School Library Journal

James Madison

One month after her wedding day, thirty-three-year-old Cami Walker was diagnosed with multiple sclerosis, and the life she knew changed forever. Cami was soon in and out of L.A.s emergency rooms with alarming frequency as she battled the neurological condition that left her barely able to walk and put enormous stress on her marriage. Each day brought new negative thoughts: Im going to end up in a wheelchair. Marks probably going to leave me. My life is over. Why did this have to happen to me? Then, as a remedy for her condition, Cami received an uncommon prescription from a friend, an African medicine woman named Mbali Creazzo: Give away 29 gifts in 29 days. By giving, Mbali told her, you are focusing on what you have to offer others, inviting more abundance into your life. The gifts, she said, could be anything, but their giving had to be both authentic and mindful. At least one gift needed to be something she felt was scarce in her life. 29 Gifts is Camis poignant and unforgettable story of embracing the natural process of giving and receiving. Many of her gifts were simple a phone call, spare change, even a Kleenex. Yet the acts of kindness were transformative. By Day 29, not only had her health and happiness turned around, but she had also embarked on creating a worldwide giving movement. Including personal essays from members of the 29 Gifts.org online community whose lives changed for the better after taking the Challenge, 29 Gifts shows just how a simple, daily practice of altruism can dramatically alter your outlook on the world.

Capturing his sense of humor and humanness, Jean Fritz makes Sam Houston not just a figure, but a personality, set against the dramatic backdrop of our country in pre-Civil War times.

The Great Adventures of Sherlock Holmes

"It is [Tom] Peters—as consultant, writer, columnist, seminar lecturer, and stage performer—whose energy, style, influence, and ideas have [most] shaped new management thinking." —Movers and Shakers: The 100 Most Influential Figures in Modern Business "We live in a Tom Peters world." —Fortune Magazine Business uber-guru Tom Peters is back with his first book in a decade, *The Little Big Things*. In this age of economic recession and financial uncertainty, the patented Peters approach to business and management—no-nonsense, witty, down-to-earth, insightful—is more pertinent now than ever. As essential for small-business owners as it is for the heads of major corporations, *The Little Big Things* is a rousing call-to-arms to American business to get "back to the basics" of running a successful enterprise.

Otherwise Known as Sheila the Great

From the strange case of 'The Red-Headed League' to the extraordinary tale of

'The Engineer's Thumb', Sherlock Holmes and his assistant Dr Watson grapple with treachery, murder, and ingenious crimes of all kinds. But no case is too challenging for the immortal detective's unique power of deduction.

Chicken Sunday

Fall in love with one of the bestselling novels of all time -- the legendary love story that became a beloved film starring Clint Eastwood and Meryl Streep. If you've ever experienced the one true love of your life, a love that for some reason could never be, you will understand why readers all over the world are so moved by this small, unknown first novel that they became a publishing phenomenon and #1 bestseller. The story of Robert Kincaid, the photographer and free spirit searching for the covered bridges of Madison County, and Francesca Johnson, the farm wife waiting for the fulfillment of a girlhood dream, *The Bridges of Madison County* gives voice to the longings of men and women everywhere -- and shows us what it is to love and be loved so intensely that life is never the same again.

Bully!

Zack Finding my teammate in bed with my wife made the decision I had been fighting with for years easier. It's time to move on. A fresh start and a new NHL

team in a big city. Most importantly, it's my son Jack's best shot. It would be both of our best shots. Denise After a bad childhood, I made sure I would succeed. The problem is I die a little with each patient I lose. It's part of my career at Hudson Children's Oncology Hospital, but it doesn't make the sting of loss any easier. Seeking anything other than a life saved isn't on my agenda until a NHL player walks into my hospital with his son. We're officially off script the moment we meet. If this love is anything, it's unscripted.

A Long Way from Home

To thank Miss Eula for her wonderful Sunday chicken dinners, three children sell decorated eggs to buy her a beautiful Easter hat.

You Want Women to Vote, Lizzie Stanton?

As the sole heir to her family's banking empire, a lot is expected of Madison Prescott. Falling in love with her childhood friend Ana Perez was not in the cards. As Madison's father puts it, "A gay daughter? Married to the maid's daughter? Running my company? Over my dead body." By the time George Prescott dies, it's been 15 years since Madison and Ana were ripped apart by his lies. They haven't spoken since, but Madison has spent every minute waiting for this day to come.

Unfortunately, it turns out time doesn't heal all wounds. Why was Madison willing to give up everything in the face of her father's threats, and why can she never tell Ana the truth about what really separated them? Caught between a present they can't trust and a past they can't forget, Madison and Ana must decide if this is their second chance, or their final heartbreak.

My Little Pony: The Movie Coloring Book

A sweeping historical novel details three generations of slaves, from Susan and her daughter Clara to Clara's daughter whose father is never revealed, all of whom work on the plantation of President James Madison and his wife Dolley, in an intricately woven tapestry of love, courage, and determination. Reprint.

Something So Unscripted

New York Times bestselling author Brenda Novak returns to Silver Springs, where no past mistake is so big the heart can't find a way to fix it. Jada Brooks couldn't have known how her life would change when she fell for bad boy Maddox Richardson back in high school. She couldn't have known his troubled brother would leave hers forever crippled. Or that she'd be forced to shun Maddox completely—only to discover she was carrying his child. Although Maddox was

devastated by the events that transpired that fateful night, losing Jada was the worst of it. He's back in Silver Springs, ready to make amends and provide the kind of youth outreach that once saved him. If he'd known Jada was in town, too, he would never have come. Jada has returned to Silver Springs to be with family after her father's death. But when she sees Maddox, every tough decision she's made concerning their now twelve-year-old daughter begins to haunt her. Falling for him again is so tempting, but not only does she stand to alienate her family—if he finds out about Maya, she could lose what matters most.

29 Gifts

Be an active citizen. Know your Constitution! Ever wonder why the president has a Cabinet? Why there's such thing as trial by jury? Why someday you'll have to pay income tax, or why there are no Dukes, Duchesses, Counts, or Countesses in the United States? Because the Constitution says so--and so much more. And now, in *The Constitution Decoded*, the ideas, concepts, and rules that make America are unpacked and explained in detail to help all of us, kids and parents too, become more informed citizens. Written with impeccable clarity and illustrated in a style that brings America's early days to life, this fascinating guide goes through the Constitution literally word by word, sentence by sentence, and idea by idea to give readers a true understanding of not only how the Framers envisioned the United States, but also why they made the choices they did. Here's why, for example, the

United States has three branches of government—legislative, executive, and judicial. It explains how bills become laws, why we have the right to free speech, how we can change the Constitution as our country evolves, and so much more. Packed with historical context and figures, vocabulary, anecdotes, and trivia, this book is an accessible yet richly layered work that belongs in every family library.

Lucid

New York Times NOTABLE BOOK OF 2015 "A mesmerizing tale of star-crossed love and of the dark secrets in a fracturing family . . . This novel is so full of wonders that it leaves you haunted, amazed, and, like every great read, irrevocably changed."--Caroline Leavitt, New York Times bestselling author of *Pictures of You*

The reclusive Harriet Wolf, revered author and family matriarch, has a final confession—a love story. Years after her death, as her family comes together one last time, the mystery of Harriet's life hangs in the balance. Does the truth lie in the rumored final book of the series that made Harriet a world-famous writer, or will her final confession be lost forever? *Harriet Wolf's Seventh Book of Wonders* tells the moving story of the unforgettable Wolf women in four distinct voices: the mysterious Harriet, who, until now, has never revealed the secrets of her past; her fiery, overprotective daughter, Eleanor; and her two grown granddaughters--Tilton, the fragile yet exuberant younger sister, who's become a housebound hermit, and Ruth, the older sister, who ran away at sixteen and never looked back. When

Eleanor is hospitalized, Ruth decides it's time to do right by a pact she made with Tilton long ago: to return home and save her sister. Meanwhile, Harriet whispers her true life story to the reader. It's a story that spans the entire twentieth century and is filled with mobsters, outcasts, a lonesome lion, and a home for wayward women. It's also a tribute to her lifelong love of the boy she met at the Maryland School for Feeble-minded Children. Harriet Wolf's *Seventh Book of Wonders*, Julianna Baggott's most sweeping and mesmerizing novel yet, offers a profound meditation on motherhood and sisterhood, as well as on the central importance of stories. It is a novel that affords its characters that rare chance we all long for--the chance to reimagine the stories of our lives while there's still time.

Unforgettable You

Eleven Madison Park is one of New York City's most popular fine-dining establishments, and one of only a handful to receive four stars from the New York Times. Under the leadership of Executive Chef Daniel Humm and General Manager Will Guidara since 2006, the restaurant has soared to new heights and has become one of the premier dining destinations in the world. "Eleven Madison Park : the cookbook" is a sumptuous tribute to the unforgettable experience of dining in the restaurant, where the latest culinary techniques are married with classical French cuisine. The book features more than 125 sophisticated recipes, arranged by season, adapted for the home cook, and accompanied by stunning full-color

photographs by Francesco Tonelli.

Queen Dolley

Sheila Tubman sometimes wonders who she really is: the outgoing, witty, and capable Sheila the Great, or the secret Sheila, who's afraid of the dark, spiders, swimming, and dogs. When her family spends the summer in Tarrytown, Sheila has to face some of her worst fears. Not only does a dog come with the rented house, but her parents expect Sheila to take swimming lessons! Sheila does her best to pretend she's an expert at everything, but she knows she isn't fooling her new best friend, Mouse Ellis, who happens to be a crackerjack swimmer and a dog lover. What will it take for Sheila to admit to the Tarrytown kids -- and to herself -- that she's only human?

Eleven Madison Park: The Next Chapter, Revised and Unlimited Edition

What if you could dream your way into a different life? What if you could choose to live that life forever? Sloane and Maggie have never met. Sloane is a straight-A student with a big and loving family. Maggie lives a glamorously independent life as an up-and-coming actress in New York. The two girls couldn't be more

different—except for one thing. They share a secret that they can't tell a soul. At night, they dream that they're each other. The deeper they're pulled into the promise of their own lives, the more their worlds begin to blur dangerously together. Before long, Sloane and Maggie can no longer tell which life is real and which is just a dream. They realize that eventually they will have to choose one life to wake up to, or risk spiraling into insanity. But that means giving up one world, one love, and one self, forever. This is a dazzling debut that will steal readers' hearts.

Harriet Wolf's Seventh Book of Wonders

A children's tale chronicling the adventures of a miniature schnauzer, Stewie - Super Stew - as he travels to 'Rainbow Bridge'.

The Brothers Karamazov

In Forget Her Not, Samantha King is the only one who knows she doesn't have it all (unless you count her mother and sister, which she doesn't). When it comes to men, Sam won't make time for anything more than a one-night stand. No commitments, no connections. Everything changes the morning she wakes up next to a woman for the first time, except Sam can't actually remember what

happened. But the undeniably gorgeous Mia Rossi isn't going to let her ignore the passion they shared. For Sam, the night she can't remember turns out to be impossible to forget. In *Forget Her Never*, Abby Dunn knows there has to be a catch. There always is. But when a sexy stranger offers a night of fun, she throws caution to the wind. Kendall Squires is a fascinating woman who knows just what to say to get what she wants. That should have been Abby's clue that Kendall would know what not to say, as well, and she shouldn't have been surprised when she learns Kendall is married. Abby knows she has to put that night behind her, but can she ever really forget a woman like Kendall Squires?

Traitor: The Case of Benedict Arnold

This majestic new biography of James Madison explores the astonishing story of a man of vaunted modesty who audaciously changed the world. Among the Founding Fathers, Madison was a true genius of the early republic. Outwardly reserved, Madison was the intellectual driving force behind the Constitution and crucial to its ratification. His visionary political philosophy and rationale for the union of states—so eloquently presented in *The Federalist* papers—helped shape the country Americans live in today.

The Constitution Decoded

A collection containing 3 autobiographical works by President Theodore Roosevelt, including The Autobiography of Theodore Roosevelt, The Rough Riders, and Through the Brazilian Wilderness

The Cabin Faced West

It's Christmas Eve, and Louis's favorite stuffed animal, Lamb, couldn't be more excited. While Louis is asleep, Lamb tiptoes downstairs and climbs into Santa's great big bag of presents. Inside is a magical world, filled with new friends: other toys waiting to be delivered as gifts. But soon Lamb starts to miss Louis, and he worries he will never make his way back home. Fortunately, Santa is there to save the day, and Louis is just a short sleigh ride away. Tim Jessell's exuberant art and Kristin Kladstrup's lively writing create a Christmastime world that you won't want to leave.

Why Not, Lafayette?

Traces the life of the French nobleman who fought for democracy in revolutions in both the United States and France.

Mixed Up Love

Benedict Arnold always carried things too far. As a boy he did crazy things like climbing atop a burning roof and picking a fight with the town constable. As a soldier, he was even more reckless. He was obsessed with being the leader and the hero in every battle, and he never wanted to surrender. He even killed his own horse once rather than give it to the enemy. Where did the extremism lead Arnold? To treason. America's most notorious traitor is brought to life as Jean Fritz relays the engrossing story of Benedict Arnold -- a man whose pride, ambition, and self-righteousness drove him to commit the heinous crime of treason against the United States during the American Revolution. "A highly entertaining biography illuminating the personality of a complex man." —Horn Book "A gripping story. . . As compelling as a thriller, the book also shines as history." —Publishers Weekly An ALA Notable Book A New York Times Book Review Notable Book of the Year A School Library Journal Best Book of the Year An ABA Pick of the Lists A Horn Book Fanfare Title

The Road to Madison

From the former CEO of Ogilvy & Mather, the first biography of advertising maverick David Ogilvy Famous for his colorful personality and formidable intellect, David Ogilvy left an indelible mark on the advertising world, transforming it into a dynamic industry full of passionate, creative individuals. This first-ever biography traces Ogilvy's remarkable life, from his short-lived college education and

undercover work during World War II to his many successful years in New York advertising. Ogilvy's fascinating life and career make for an intriguing study from both a biographical and a business standpoint. The King of Madison Avenue is based on a wealth of material from decades of working alongside the advertising giant, including a large collection of photos, memos, recordings, notes, and extensive archives of Ogilvy's personal papers. The book describes the creation of some of history's most famous advertising campaigns, such as: * "The man in the Hathaway shirt" with his aristocratic eye patch * "The man from Schweppes is here" with Commander Whitehead, the elegant bearded Brit, introducing tonic water (and "Schweppervesence") to the U.S. * Perhaps the most famous automobile headline of all time--"At 60 miles an hour the loudest noise in this new Rolls-Royce comes from the electric clock." * "Pablo Casals is coming home--to Puerto Rico." Ogilvy said this campaign, which helped change the image of a country, was his proudest achievement. * And his greatest (if less recognized) sales success--"DOVE creams your skin while you wash." Roman also carries Ogilvy's message into the present day, showing the contemporary relevance of the bottom-line focus for which his business ventures are remembered, and how this approach is still key for professionals in the modern advertising world.

The Little Big Things

Join your favorite My Little Pony characters on a coloring adventure. Embark on an

unforgettable coloring journey with the Mane 6! Follow along as these pony friends go on a quest to use the magic of friendship and save Equestria. With wonderful pictures, patterns, and borders to be colored in, this is the perfect book for grown-up pony fans.

Unforgettable

The shocking, never-before-told story of the bizarre world inside the legendary Playboy Mansion—and, finally, the secret truth about the man who holds the key—from one of the few people who truly knows: Hef's former #1 girlfriend and star of *The Girls Next Door*. A spontaneous decision at age twenty-one transformed small-town Oregon girl Holly Sue Cullen into Holly Madison, Hugh Hefner's #1 girlfriend. But like Alice's journey into Wonderland, after Holly plunged down the rabbit hole, what seemed like a fairytale life inside the Playboy Mansion—including A-list celebrity parties and her own #1-rated television show for four years—quickly devolved into an oppressive routine of strict rules, manipulation, and battles with ambitious, backstabbing bunnies. Life inside the notorious Mansion wasn't a dream at all—and quickly became her nightmare. After losing her identity, her sense of self-worth, and her hope for the future, Holly found herself sitting alone in a bathtub contemplating suicide. But instead of ending her life, Holly chose to take

charge of it. In this shockingly candid and surprisingly moving memoir, this thoughtful and introspective woman opens up about life inside the Mansion, the drugs, the sex, the abuse, the infamous parties, and her real behind-the-scenes life with Bridget, Kendra, and, of course, Mr. Playboy himself. With great courage, Holly shares the details of her subsequent troubled relationship, landing her own successful television series, and the hard work of healing, including her turn on Dancing with the Stars. A cautionary tale and a celebration of personal empowerment, *Down the Rabbit Hole* reminds us of the importance of fighting for our dreams—and finding the life we deserve.

Eleven Madison Park

From the world's #1 dining destination, New York's three-Michelin-starred restaurant Eleven Madison Park, comes a limited edition, signed and numbered, two-volume collection of more than 100 stories and watercolors (volume 1), and more than 100 recipes and food photographs (volume 2), from celebrated chef Daniel Humm and restaurateur Will Guidara. Daniel Humm and his business partner, Will Guidara, have made an indelible mark on the global dining scene with their award-winning restaurants The NoMad and Eleven Madison Park, which recently claimed the number one slot on the World's 50 Best Restaurants list. In their latest impressive contribution to high-end cookbooks, Humm and Guidara reflect on the last eleven years at Eleven Madison Park, the period in which this

singular team garnered scores of accolades, including four stars from the New York Times, three Michelin stars, seven James Beard Foundation awards, and for Chef Humm, the 2015 chefs' choice award from a worldwide jury of his peers. In two highly appointed volumes, the authors share more than 100 recipes, stunning photographs, lush watercolor illustrations, and—for the very first time—personal stories from Chef Humm describing his unparalleled culinary journey and inspiration. Only 11,000 copies of this deluxe slipcase collection have been printed, and each edition is numbered and hand signed by the authors.

Firmin

A biography of the brilliant southern general who gained the nickname Stonewall by his stand at Bull Run during the Civil War.

The Idea of a Party System

The accolades speak for themselves: "Fritz draws the readers into scenes from her youth in the turbulent China of the mid-twenties. One comes to appreciate the generous affection of her nurse/companion Lin Nai-Nai, the isolating distance in her mother's grief over losing a second child, the dynamics of a suffering population venting its hostility on foreigners, and most of all, the loneliness of a child's exile

from a homeland she has imagined constantly but never seen. A remarkable blend of truth and storytelling." --Booklist, starred review "An insightful memory's-eye-view of her childhood Young Jean is a strong character, and many of her reactions to people and events are timeless and universal." --School Library Journal, starred review "Told with an abundance of humor--sometimes wry, sometimes mischievous and irreverent--the story is vibrant with atmosphere, personalities, and a palpable sense of place." --The Horn Book "Every now and then a book comes along that makes me want to send a valentine to its author. Homesick is such a book. Pungent and delicious." --Katherine Paterson, The Washington Post

Greece

In the basement of a Boston bookstore, Firmin is born in a shredded copy of *Finnegans Wake*, nurtured on a diet of Zane Grey, *Lady Chatterley's Lover*, and *Jane Eyre* (which tastes a lot like lettuce). While his twelve siblings gnaw these books obliviously, for Firmin the words, thoughts, deeds, and hopes—all the literature he consumes—soon consume him. Emboldened by reading, intoxicated by curiosity, foraging for food, Firmin ventures out of his bookstore sanctuary, carrying with him all the yearnings and failings of humanity itself. It's a lot to ask of a rat—especially when his home is on the verge of annihilation. A novel that is by turns hilarious, tragic, and hopeful, *Firmin* is a masterpiece of literary imagination. For here, a tender soul, a vagabond and philosopher, struggles with mortality and

meaning—in a tale for anyone who has ever feasted on a book...and then had to turn the final page. NOTE: This edition does not include illustrations.

Down the Rabbit Hole

A biographical novel about Dolley Madison, the charismatic First Lady who, in the War of 1812, rescued a portrait of George Washington from the walls of a White House that was being burned by the British

Bully for You, Teddy Roosevelt!

It all begins with a strange coin on a sun-warmed sidewalk. Jane finds the coin, and because she and her siblings are having the worst, most dreadfully boring summer ever, she idly wishes something exciting would happen. And something does: Her wish is granted. Or not quite. Only half of her wish comes true. It turns out the coin grants wishes—but only by half, so that you must wish for twice as much as you want. Wishing for two times some things is a cinch, but other doubled wishes only cause twice as much trouble. What is half of twice a talking cat? Or to be half-again twice not-here? And how do you double your most heartfelt wish, the one you care about so much it has to be perfect?

Stonewall

Hunter When my business partner asked me to do him a favor, I had no idea he was sending me on a blind date his mother arranged for him. I walked in the bar, saw the woman drinking her third martini, and knew I was in for an eventful night. After the unexpected second date, she didn't know my real name or who I really was. By that time, the lie was too far gone, and I wanted her too much to admit the truth. Laney It's not every day you find out your ex-boyfriend is engaged. I shouldn't have agreed to the blind date. My mother insisted, and I wasn't in any position to turn down a night out. I will admit, I definitely shouldn't have ordered that fourth martini before said blind date even arrived. The man turned out to be swoon worthy, handsome, condescending-a perfect distraction. Then I found out he was a liar. I've never been in over my head to this degree. Then again, I've never been mixed up in love before.

The Great Little Madison

The Bridges of Madison County

Today's preeminent biographer for young people brings to life our colorful 26th

president. Conservationist, hunter, family man, and politician, Teddy Roosevelt commanded the respect and admiration of many who marveled at his energy, drive and achievements. An ALA Notable Book. A School Library Journal Best Book of the Year.
