'An all-action court drama' Sunday Times on Summary Justice
She was found hanging in a dingy London bedsit with a blood orange in her mouth. Diane Heybridge, a young woman without a past or much of a future, has captured in death the compassion denied her in life. For the prosecution, this seeming suicide is nothing more than a bungled killing and a disgusted public looks to Court 2 of the Old Bailey for justice. Her callous, jilted partner Brent Stainsby stands accused of her murder and he's turned to the maverick legal team William Benson and Tess de Vere to defend him. However, as the trial unfolds it soon becomes clear that there is far more to Diane Heybridge than meets the eye. She wasn't the weak and downtrodden victim now being presented to the jury. She was capable of a sophisticated form of vengeance. By the same token, Brent Stainsby isn't who he seems to be either. He's hiding a motive for murder unknown to the police and may well be playing a deadly game of poker with the judicial process. What began as a simple trial rapidly turns into a complex search for the truth beyond the confines of the courtroom

Confessions of the Antichrist (A Novel)

The Liar

Michael Wolff, author of the bombshell bestseller *Fire and Fury*, once again takes us inside the Trump presidency to reveal a White House under siege. Just one year into Donald Trump's term as president, Michael Wolff told the electrifying story of a White House consumed by controversy, chaos, and intense rivalries. *Fire and Fury*, an instant sensation, defined the first phase of the Trump administration; now, in *Siege*, Wolff has written an equally essential and explosive book about a presidency that is under fire from almost every side. At the outset of Trump's second year as president, his situation is profoundly different. No longer tempered by experienced advisers, he is more impulsive and volatile than ever. But the wheels of justice are inexorably turning: Robert Mueller's "witch hunt" haunts Trump every day, and other federal prosecutors are taking a deep dive into his business affairs. Many in the political establishment—even some members of his own administration—have turned on him and are dedicated to bringing him down. The Democrats see victory at the polls, and perhaps impeachment, in front of them. Trump, meanwhile, is certain he is invincible, making him all the more exposed and vulnerable. Week by week, as Trump becomes increasingly erratic, the question that lies at the heart of his tenure becomes ever more urgent: Will this most abnormal of presidencies at last reach the breaking point and implode?

Download Free The Liar Eddie Flynn Book 3

Both a riveting narrative and a brilliant front-lines report, *Siege* provides an alarming and indelible portrait of a president like no other. Surrounded by enemies and blind to his peril, Trump is a raging, self-destructive inferno—and the most divisive leader in American history.

Red Sparrow is now a major motion picture starring Jennifer Lawrence and Joel Edgerton! The thrilling sequel to Red Sparrow—CIA insider Jason Matthews’s compulsively readable New York Times bestseller and Edgar Award winner—featuring Russian spy Dominika Egorova and CIA agent Nate Nash “shimmers with authenticity. The villains are richly drawn the scenes of them on the job are beyond chilling” (The New York Times Book Review). Captain Dominika Egorova of the Russian Intelligence Service despises the oligarchs, crooks, and thugs of Putin’s Russia—but what no one knows is that she is also working for the CIA. Her “sparrow” training in the art of sexual espionage further complicates the mortal risks she must take, as does her love for her handler Nate Nash—a shared lust that is as dangerous as treason. As Dominika expertly dodges exposure, she deals with a murderously psychotic boss, survives an Iranian assassination attempt and attempts to rescue an arrested double agent—and thwart Putin’s threatening flirtations. A grand, wildly entertaining ride through the steel-trap mind of a CIA insider, Palace of Treason is a story “as suspenseful and cinematic as the best spy movies” (The Philadelphia Inquirer)—one that feels fresh and so possible, in fact, that it’s doubtful this novel can ever be published in Russia.

In these pages you will read about the real life challenges of being a woman in a man's world, what it means to be a working mother, what it’s like to be an older woman in a youth-obsessed culture, the sometimes changing, often sweet truth about marriages, what being a feminist really means, and that you are in good company if your adult children don’t return your phone calls. So come, sit down, make yourself comfortable, (and for some of you, don’t forget the damn reading glasses). You’re in for a treat.
