The Scarlet Letter Study Guide CD

Nathaniel Hawthorne's THE SCARLET LETTER reaches to our nation's historical and moral roots for the material of great tragedy. Set in an early New England colony, the novel shows the terrible impact a single, passionate act has on the lives of three members of the community: the defiant Hester Prynne; the fiery, tortured Reverend Dimmesdale; and the obsessed, vengeful Chillingworth. With THE SCARLET LETTER, Hawthorne became the first American novelist to forge from our Puritan heritage a universal classic, a masterful exploration of humanity's unending struggle with sin, guilt and pride. Set in Puritan Massachusetts Bay Colony during the years 1642 to 1649, the novel tells the story of Hester Prynne who conceives a daughter through an affair and then struggles to create a new life of repentance and dignity. Containing a number of religious and historic allusions, the book explores themes of legalism, sin, and guilt. The Scarlet Letter was one of the first mass-produced books in America. It was popular when first published and is considered a classic work today. It inspired numerous film, television, and stage adaptations. Critics have described it as a masterwork and novelist D. H. Lawrence called it a "perfect work of the American imagination".

The Glass Menagerie

The May-Pole of Merry Mount (+Biography and Bibliography) (Matte Cover Finish):

There is an admirable foundation for a philosophic romance in the curious history of the early settlement of Mount Wollaston, or Merry Mount. In the slight sketch here attempted, the facts, recorded on the grave pages of our New England annalists, have wrought themselves, almost spontaneously, into a sort of allegory. The masques, mummeries, and festive customs, described in the text, are in accordance with the manners of the age. Authority on these points may be found in Strutt's Book of English Sports and Pastimes.

Lois the Witch

Overnight, Reverend Hooper has taken to wearing a translucent, but dark veil. Believing the veil to be symbolic of his sin, Hooper refuses to remove it, and wears it throughout the rest of his life. Like the majority of Hawthorne's stories, "The Minister's Black Veil" is an allegorical criticism of Puritan beliefs. Hawthorne may have been inspired by clergyman Joseph Moody, who accidentally killed his friend and, in response, wore a black veil until his own death. The Seven Basic Plots

This remarkable and monumental book at last provides a comprehensive answer to the age-old riddle of whether there are only a small number of 'basic stories' in the world. Using a wealth of examples, from ancient myths and folk tales via the plays and novels of great literature to the popular movies and TV soap operas of today, it shows that there are seven archetypal themes which recur throughout every kind of storytelling. But this is only the prelude to an investigation into how and why we are 'programmed' to imagine stories in these ways, and how they relate to the inmost patterns of human psychology. Drawing on a vast array of examples, from Proust to detective stories, from the Marquis de Sade to E.T., Christopher Booker then leads us through the extraordinary changes in the nature of storytelling over the past 200 years, and why so many stories have 'lost the plot' by losing touch with their underlying archetypal purpose. Booker analyses why evolution has given

us the need to tell stories and illustrates how storytelling has provided a uniquely revealing mirror to mankind's psychological development over the past 5000 years. This seminal book opens up in an entirely new way our understanding of the real purpose storytelling plays in our lives, and will be a talking point for years to come.

"Adam (based on Twain himself) describes how Eve (modeled after his wife Livy) gets introduced into the Garden of Eden, and how he has to deal with this 'new creature with the long hair'. The piece gives a humorous account of Genesis. It begins with the introduction of Eve, described as an annoying creature with a penchant for naming things, which Adam could do without. It moves on to detail Eve eating the apple and finding Cain, a perplexing creature which Adam cannot figure out. He devotes his ironically scientific mind to demystifying Cain's species,

thinking it a fish, then a kangaroo, then a bear. Eventually he figures out it is a human, like himself. eventually, despite his initial deep annoyance with Eve, Adam finds himself in love with her."--Wikipedia.

The Scarlet Letter

There is a certain church, in the city of New York which I have always regarded with peculiar interest on account of a marriage there solemnized under very singular circumstances in my grandmother's girlhood. That venerable lady chanced to be a spectator of the scene, and ever after made it her favorite narrative. Whether the edifice now standing on the same site be the identical one to which she referred I am not antiquarian enough to know, nor would it be worth while to

correct myself, perhaps, of an agreeable error by reading the date of its erection on the tablet over the door. It is a stately church surrounded by an enclosure of the loveliest green, within which appear urns, pillars, obelisks, and other forms of monumental marble, the tributes of private affection or more splendid memorials of historic dust. With such a place, though the tumult of the city rolls beneath its tower, one would be willing to connect some legendary interest.

(Applause Books). Leslie Fiedler pronounced it the first American tragedy. F.O. Matthiessen considered it the "Puritan Faust." Until now, it appeared that Nathaniel Hawthorne's haunting drama of judgement, alienation, and redemption would be forever confined to the page. Now comes the stage version to do it justice. DeMaiolo's brooding choruses of superstition and doubt hover like the furies hungry for vengeance on the "voluptuous Oriental" woman whose fate would commingle with every life in Salem. The audience joins the chorus as they weigh the American contract of freedom against the fine print of convention and taboo. Performance rights available from Applause.

When She Woke

Set in the 1870s, the same period as Wharton's The Age of Innocence, The Buccaneers is about five wealthy American girls denied entry into New York Society because their parents' money is too new. At the suggestion of their clever governess, the girls sail to London, where they marry lords, earls, and dukes who find their beauty charming—and their wealth extremely useful. After Wharton's death in 1937, The Christian Science Monitor said, "If it could have been completed, The Buccaneers would doubtless stand among the richest and most sophisticated of Wharton's novels." Now, with wit and imagination, Marion Mainwaring has finished the story, taking her cue from Wharton's own synopsis. It is a novel any Wharton fan will celebrate and any romantic reader will love. This is the richly engaging story of Nan St. George and guy Thwarte, an American heiress and an English aristocrat, whose love breaks the rules of both their societies.
