Turn of the Tide

One night when Ludo is home alone, his family's only horse, Renti, escapes from the stable. Overcome with guilt and fear, Ludo follows Renti out in to the snow, and before long the pair find themselves in the House of the Archer, a gateway to the Zodiac. Here, the Archer tells Ludo that Renti is a Star Horse, and has chosen to return to his own kind. Ludo, says the Archer, may keep faith with Renti and accompany him, or, if he prefers, return home. Ludo decides that he must repay Renti's years of loyal service, and so the pair set off on a journey through the houses of the zodiac, or 'Star Countries'. They must pass through all twelve before catching the sun - but Ludo soon realises that many of the house rulers are less than hospitable. Dismissed by the imperious goat, chased by the crab, taunted by the bloodthirsty twins theirs is a perilous and unpredictable journey

A Dark and Stormy Murder

The Last Enchantment

'Vivid, enthralling, absolutely first class' Daily Mail Summer, 1947. Kate Herrick, widowed in the war, returns to Rose Cottage, her childhood home, to retrieve a few family papers before the house is sold. But Rose Cottage is not the idyllic paradise she remembers from her childhood. The papers themselves are missing, and neighbours tell stories of night-time prowlers. Kate discovers that the long shadow of an old secret lies over the house, and in bringing Rose Cottage into the light she will finally be forced to confront the truth of her own past. Beyond the weedy garden with its riot of rose bushes, nothing had changed. The beck, wide here and quiet, slid past below the bridge. Willows and wild roses, cuckoo pint and king cups, and a wood pigeon crooning in the elms. And someone crossing the bridge to approach the garden gate. Someone I knew well Mary Stewart's last novel, Rose Cottage is a classic of her writing. Featuring a sparky heroine, an exceptional eye for detail, romance, intrigue and the gentle promise of a bright future, Rose Cottage is a must-read for all fans and everyone who loves a good story beautifully told. The Girl Who Knew Too Much

SHOCK First, the electricity goes—plunging the east coast in darkness after a devastating nuclear attack. Millions panic. Millions die. They are the lucky ones. **AFTER SHOCK** Next, the chemical weapons take effect—killing or contaminating everything alive. Except a handful of survivors in a bomb shelter. They are the damned. **HELL IS FOR HUMANS** Then, the real nightmare begins. Hordes of rats force two terrified families out of their shelter—and into the savage streets of an apocalyptic wasteland. They are not alone. Vicious, chemical-crazed animals hunt in packs. Dogs tear flesh, cats draw blood, horses crush bone. Roaming gangs of the sick and dying are barely recognizable as human. These are the times that try men's souls. These are the tortures that tear families apart. This is hell on earth. The rules are simple: Kill or die.

Madam, Will You Talk?

'A comfortable chair and a Mary Stewart: total heaven. I'd rather read her than most other authors.' Harriet Evans *The rambling house called Thornyhold* is like something out of a fairy tale. Left to Gilly Ramsey by the cousin whose occasional visits brightened her childhood, the cottage, set deep in a wild wood, has come just in time to save her from a bleak future. With its reputation for magic and its resident black cat, Thornyhold offers Gilly more than just a new home. It offers her a chance to start over. The old house, with its tufts of rosy houseleek and the spreading gilt of the lichens, was beautiful. Even the prisoning hedges were beautiful, protective with their rusty thorns, their bastions of holly and juniper, and at the corners, like towers, their thick columns of yews.

A Walk in Wolf Wood

'A comfortable chair and a Mary Stewart: total heaven. I'd rather read her than most other authors.' Harriet Evans *Legend* has it that when the Gabriel Hounds run howling over the crumbling palace of Dar Ibrahim, high in the Adonis Valley of Lebanon, death will follow on their heels. When rich, spoiled Christie Mansel arrives at the decaying palace to look after her eccentric Aunt Harriet, she arrives to the sound of howling dogs. The palace is riddled with hidden passages and the servants are unwilling to let anyone see Harriet during the day. It seems the palace hides an extraordinary secret . . . one that somebody is willing to kill to keep. The deep blue oblong of sky above the open court was pricking already with brilliant stars. No ugly diffusion of city light spoiled the deep velvet of that sky; even hanging as it was above the glittering and crowded richness of the Damascus oasis, it spoke of the desert and the vast empty silence beyond the last palm tree.
