Madeline Finn and the Library Dog

Assigned to write a monograph about a famous sixteenth-century garden, aimless young Cambridge scholar Adam Banting visits the enigmatic garden only to discover clues that the woman to whom the garden was dedicated may have been murdered, a finding that points to a related and more recent killing. By the author of Amagansett. Reprint.

Conquistador

House of the Hunted

Molly Mavity and Pepper Yusef are dealing with their own personal tragedies when they are tasked by an anonymous person with solving the decades-old murder of Ava Dryman, an East German teenager whose diary was published after her death.

Secret Service Dogs

When a young woman clears out her deceased grandmother's home in rural North Carolina, she finds long-hidden secrets about a strange colony of beings in the woods in this chilling novel that reads like The Blair Witch Project meets The Andy Griffith Show. When Mouse's dad asks her to clean out her dead grandmother's house, she says yes. After all, how bad could it be? Answer: pretty bad. Grandma was a hoarder, and her house is stuffed with useless rubbish. That would be

horrific enough, but there's more—Mouse stumbles across her step-grandfather's journal, which at first seems to be filled with nonsensical rants...until Mouse encounters some of the terrifying things he described for herself. Alone in the woods with her dog, Mouse finds herself face to face with a series of impossible terrors—because sometimes the things that go bump in the night are real, and they're looking for you. And if she doesn't face them head on, she might not survive to tell the tale. From Hugo Award-winning author Ursula Vernon, writing as T. Kingfisher, *The Twisted Ones* is a gripping, terrifying tale bound to keep you up all night—from both fear and anticipation of what happens next.

Dog Diaries

A debut young adult rom-com about an African American ballerina who finds love on the road to an audition. "In a world where it's easy to lose faith in love, *I Wanna Be Where You Are* is a brilliant burst of light. A dazzling debut." — Nic Stone, New York Times bestselling author of *Dear Martin* and *Odd One Out* When Chloe Pierce's mom forbids her to apply for a spot at the dance conservatory of her dreams, she devises a secret plan to drive two hundred miles to the nearest audition. But Chloe hits her first speed bump when her annoying neighbor Eli insists upon hitching a ride, threatening to tell Chloe's mom if she leaves him and his smelly dog, Geezer, behind. So now Chloe's chasing her ballet dreams down the east coast—two unwanted (but kinda cute) passengers in her car, butterflies in her stomach, and a really dope playlist on repeat. Filled with roadside hijinks, heart-stirring romance, and a few broken rules, Kristina Forest's *I Wanna Be Where You Are* is a YA debut perfect for fans of Jenny Han and Sandhya Menon.

The Savage Garden

Marley & Me

'We're gonna starve if we stay here,' Emery said. 'If we're gonna go, best go now.' And he said it like going was something easy. Like all we have to do is walk away. Ella and her brother Emery are alone in a city that's starving to death. If they are going to survive, they must get away, upcountry, to find Emery's mum. But how can two kids travel such big distances across a dry, barren, and dangerous landscape? Well, when you've got five big doggos and a dry-land dogsled, the answer is you go mushing. But when Emery is injured, Ella must find a way to navigate them through rough terrain, and even rougher encounters with desperate people

One Braver Thing

In *Cesar's Way*, Cesar Millan—nationally recognized dog expert and star of National Geographic Channel's hit show *Dog Whisperer with Cesar Millan*—helps you see the world through the eyes of your dog so you can finally eliminate problem behaviors. From his appearances on *The Oprah Winfrey Show* to his roster of celebrity clients to his reality television series, Cesar Millan is America's most sought-after dog-behavior expert. But Cesar is not a trainer in the traditional sense—his expertise lies in his unique ability to comprehend dog psychology. Tracing his own amazing journey from a clay-walled farm in Mexico to the celebrity palaces of Los Angeles, Cesar recounts how he learned what makes dogs tick. In *Cesar's Way*, he shares this wisdom, laying the groundwork for you to have stronger, more satisfying relationships with your canine companions. Cesar's formula for a contented and balanced dog seems impossibly simple: exercise, discipline, and affection, in that order. Taking readers through the basics of dog psychology and behavior, Cesar shares the inside details of some of his most fascinating cases, using them to illustrate how common behavior issues develop and, more important, how they can be corrected. You'll learn:

- What your dog really needs may not be what you're giving him
- Why a dog's natural pack instincts are the key to your happy relationship
- How to relate to your dog on a canine level
- There are no "problem breeds," just problem owners
- How to choose a dog who's right for you and your family
- The difference between discipline and punishment
- And much more!

Filled with fascinating anecdotes about Cesar's longtime clients, and including forewords by the president of the International Association of Canine Professionals and Jada Pinkett Smith, this is the only book you'll need to forge a stronger, more rewarding connection with your four-legged companion. Also available as a Random House AudioBook

The Long Shadow

"The Light We Lost meets How to Walk Away in this romantic and page-turning American debut that poses a heartbreaking question: Would you choose love, if you knew how it would end?"--

I Wanna Be Where You Are

Madeline Finn does NOT like to read. But she DOES want a gold star from her teacher. But, stars are for good readers. Stars are for understanding words, and for saying them out loud. Fortunately, Madeline Finn meets Bonnie, a library dog. Reading out loud to Bonnie isn't so bad; when Madeline Finn gets stuck, Bonnie doesn't mind. As it turns out, it's fun to read when you're not afraid of making mistakes. Bonnie teaches Madeline Finn that it's okay to go slow. And to keep trying. With endearing illustrations, Lisa Papp brings an inspiring and comforting book to all new readers who just need a little confidence to overcome their fears.

Waiting For Doggo

Zak George's Dog Training Revolution

In the summer of 1942, Max Chadwick is the British officer charged with manipulating the news on Malta to bolster the population's fragile esprit de corps, as the small windswept island endures relentless Axis air raids. The fiercely independent Maltese, and a few broken-down fighter planes, are all that stand in the face of Nazi occupation and perhaps even victory—for Malta is the stepping-stone the Germans need between Europe and North Africa. When Max learns of the brutal murder of a young island woman—along with evidence that the crime may have been committed by a British officer—he knows that the Maltese loyalty to the war effort could be instantly shattered. Max must investigate the murder—beyond the gaze of his superiors, friends, and even the woman he loves—as the clock ticks down toward all-out invasion.

A Year of Living Simply

Bestselling author Cesar Millan takes his principles of dog psychology a step further, showing you how to develop the calm-assertive energy of a successful pack leader and use it to improve your dog's life—and your own. Filled with practical tips and techniques as well as real-life success stories from his clients (including the Grogan family, owners of Marley from Marley & Me) and his popular television show Dog Whisperer with Cesar Millan, Cesar helps you understand and read your dog's energy as well as your own so that you can move beyond just correcting behavioral issues and take your connection with your dog to the next level. The principles of calm-assertive energy will help you become a better pack leader in every area of your life, improving your relationships with friends, family, and coworkers. In addition, Cesar addresses several important issues for the first time, including what you need to know about the major dog behavior tools available and the difference between “personality” and “instability.” Ultimately, what emerges from Be the Pack Leader are both happier dogs and happier, more centered owners.

Sunshine and Surf

Is it possible for humans to discover the key to happiness through a bigger-than-life, bad-boy dog? Just ask the Grogans. John and Jenny were just beginning their life together. They were young and in love, with not a care in the world. Then they brought home Marley, a wiggly yellow furball of a puppy. Life would never be the same. Marley grew into a barreling, ninety-seven-pound streamroller of a Labrador retriever. He crashed through screen doors, gouged through drywall, and stole women's undergarments. Obedience school did no good -- Marley was expelled. But just as Marley joyfully refused any limits on his behavior, his love and loyalty were boundless, too. Marley remained a model of devotion, even when his family

was at its wit's end. Unconditional love, they would learn, comes in many forms. Marley & Me is John Grogan's funny, unforgettable tribute to this wonderful, wildly neurotic Lab and the meaning he brought to their lives.

**** THINKING ON MY FEET SHORTLISTED FOR THE WAINWRIGHT PRIZE** ** THINKING ON MY FEET SHORTLISTED FOR THE EDWARD STANFORD TRAVEL WRITING AWARD - TRAVEL MEMOIR OF THE YEAR **** If there is one thing that most of us aspire to, it is, simply, to be happy. And yet attaining happiness has become, it appears, anything but simple. Having stuff - The Latest, The Newest, The Best Yet - is all too often peddled as the sure fire route to happiness. So why then, in our consumer-driven society, is depression, stress and anxiety ever more common, affecting every strata of society and every age, even, worryingly, the very young? Why is it, when we have so much, that many of us still feel we are missing something and the rush of pleasure when we buy something new turns so quickly into a feeling of emptiness, or purposelessness, or guilt? So what is the route to real, deep, long lasting happiness? Could it be that our lives have just become overly crowded, that we've lost sight of the things - the simple things - that give a sense of achievement, a feeling of joy or excitement? That make us happy. Do we need to take a step back, reprioritise? Do we need to make our lives more simple? Kate Humble's fresh and frank exploration of a stripped-back approach to life is uplifting, engaging and inspiring - and will help us all find balance and happiness every day. Praise For Thinking On My Feet: 'A lovely, civilised and transporting read, that should have all of us stepping out to meet the world with fresh eyes.' -HUGH FEARNLEY-WHITTINGSTALL 'An enticing read that makes every walk Humble describes an adventure.' -RANULPH FIENNES 'A beautiful and magnificent book. A paean to a simple act. I defy you to read this book and not be inspired to walk, march or hike - and as a result live a better life more connected with nature and the world around you.' -SIMON REEVE 'A lovely book, fast-flowing yet at every turn giving the reader pause for thought. Kate Humble makes a delightful companion, her words full of sunshine and the raw pleasure she radiates as she encounters life in its many unexpected forms.' -BENEDICT ALLEN 'It will encourage you to pull on a pair of boots and get out there yourself.' -THE MAIL ON SUNDAY

Cesar's Way

2018 Shorty Award winner for best Creative & Media animal content *****Named one of the Best Comedy Books of 2017 by Splitsider***** "Over-the-top and hilarious." —Barkpost Based on the Twitter and Instagram sensation, #WeRateDogs features the most heroic, over-the-top adorable, wildly successful, all-around entertaining dogs the world has ever seen! It combines extraordinary photos with ridiculous captions to expand the knowledge and overall lives of its readers. It is not only an exceptionally reliable source for dog greatness, it is also a one stop shop for happiness. This book takes readers on a journey through the strict science of dog rating and the unwavering rules associated with it. Questioning the accuracy of

these ratings is ill-advised. They are certainly not arbitrary and this book is absolutely not just about how cute dogs are. It truly is all about precision and ethics in dog rating. The #WeRateDogs book will produce an audible reaction with every flip of the page—whether a groan from a terrible pupper pun or an “aww” of seeing a super floofer. If #WeRateDogs takes you away from reality and pushes you into this conglomerate of absurdity for even a second, then it has fulfilled its purpose.

Amagansett

An orphan and a fugitive find a connection in their secret pasts in this “love story that moves with the pace of a thriller” from an award-winning author (Yorkshire Post). At sixteen, Lamb walks out on her life. Her parents are dead and she has no brothers or sisters. For money, she cleans people’s homes. For shelter, she lives in the cellar of an elderly client. For survival, she imagines herself as a tightrope walker—one foot in front of the other, eyes straight ahead, and never allowing anyone to touch her, lest she lose her balance. Then she meets Doggo. And Lamb can feel herself falling. Doggo walked out on his life, too—or more precisely, he ran. A fugitive fleeing from a violent criminal past, he needs Lamb’s help staying under the radar. Quick-tempered, foul-mouthed, yet surprisingly tender, Doggo needs Lamb in other ways, too. But the closer they get, the more Lamb risks her precarious balance between life and death. And fear has never felt so comforting. *Now You See Me*, from Somerset Maugham Award winner Lesley Glaister, is an empowering novel about loneliness, trust, the fictions we tell ourselves to survive, and the primal need to connect. It also “boasts a protagonist so heartbreakingly well-realized that you are forced to live through her eyes, in her head, her heart . . . if only all fiction made us worry and care so hard, posed us such dreadfully difficult questions” (The Guardian). “Glaister is at her best . . . written in the crisply poetic prose for which she’s known, [she] transforms the bleakest situations into compelling fiction.” —The Independent “Before Gillian Flynn, there was Lesley Glaister.” —Harper’s Bazaar

The Dog Runner

“In this luscious alternative universe, sidekicks quote the Lone Ranger and Right inevitably triumphs with panache. What more could adventure-loving readers ask for?”—Publishers Weekly Oakland, 1946. Ex-soldier John Rolfe, newly back from the Pacific, has made a fabulous discovery: A portal to an alternate America where Europeans have never set foot—and the only other humans in sight are a band of very curious Indians. Able to return at will to the modern world, Rolfe summons the only people with whom he is willing to share his discovery: his war buddies. And tells them to bring their families Los Angeles, twenty-first century. Fish and Game warden Tom Christiansen is involved in the bust of a smuggling operation. What he turns up is something he never anticipated: a photo of authentic Aztec priests decked out in Grateful Dead T-shirts, and a live condor from a gene pool that doesn’t correspond to any known in captivity or the wild. It is a find that will lead him to a woman named Adrienne Rolfe—and a secret that’s been hidden for sixty years...

The Loner

'Creepy, classy full of dread and lust and echoing with the sorrows of war. We need more stories like this' Christopher Golden, New York Times bestselling author of Snowblind 'An impressive debut. As much about the horrors of war as the primeval horrors that lurk in the depths of the human psyche' F.R. Tallis, author of The Forbidden Sometimes the past is

best left buried Twelve years after fighting in Mesopotamia in the Great War, Harry Ward returns to the land where he lost his faith, his mind and almost his life. Haunted by bloody visions of bayonets, shrapnel and shells, he takes up the offer of a simple job, working as a photographer on an archaeological dig outside of Mosul. As the dig progresses, Ward begins to realise that what they have uncovered is no ordinary temple; it holds a terrible secret. Now flashbacks are the least of his problems and he must face a new kind of terror.

The Arsonist

Mark Mills, bestselling author of Amagansett, The Savage Garden, and The Information Officer, is renowned for blending riveting history, rich atmosphere, and thrilling suspense. Now, in House of the Hunted, Mills deftly unfolds a story of betrayal, love, and the inescapable pull of the past as an ex-spy finds himself drawn back into his treacherous former life. Côte d'Azur, France, 1935: As Europe moves inexorably toward war, Tom Nash feels pleasantly removed, pursuing a quiet writing career on an idyllic stretch of the French Riviera. A former intelligence operative for the British government, Tom now finds refuge among the lively seaside community of expats and artists, hoping to put the worst deeds from his job—and memories of the woman he once loved—far behind him. But Tom's peaceful existence is shattered when an unknown hit man tries to kill him in his sleep. Tom is sure that somebody knows his secrets, and that this attempt on his life won't be the last. Relying on his instincts for self-preservation, Tom suspects everyone of double-dealing, even people he

considers his friends: the Russian art dealers from Paris, the exiled German dissidents, even his former boss and closest confidant. And as he plunges further into his haunted past, Tom feels himself turning into the person he used to be—a dangerous man, capable of anything. Combining vividly drawn characters and gripping acts of espionage, *House of the Hunted* is a superbly crafted novel by an exceptional and versatile storyteller. Praise for *House of the Hunted* “Suspenseful and romantic . . . reminiscent of some of the best spy novels of the past.”—CNN “A wild-fire hybrid of John le Carré and Ernest Hemingway . . . an excellent read for those who enjoy both espionage and literary thrillers.”—Bookreporter “[Mark] Mills is a polished stylist with a singular talent for capturing the defining moment when something precious is about to be lost forever.”—The New York Times Book Review “This is bloody brilliant. . . . A masterpiece of espionage fiction that fully thrills, while evoking a time and place with the assurance of Alan Furst’s forays into prewar Europe. This novel is beautifully crafted, breathless, and immensely satisfying.”—Olen Steinhauer, New York Times bestselling author of *The Tourist* and *The Nearest Exit* “Explosive . . . a terse, carefully plotted journey [that will] have you guessing until the very end.”—Oprah.com “Mesmerizing . . . [Mills’s] best work in an already accomplished career.”—The Independent From the Hardcover edition.

The Love Story of Alette Brunton

The award-winning author of *The Information Officer* and *The Savage Garden* returns with a riveting, stylish thriller set in Europe, on the cusp of the World War Two. Luke Hamilton, a junior air intelligence officer at the British Embassy in Paris, appears to have luck on his side. Mysteriously orphaned in England as an infant, he was nurtured by a kind nun, Sister Agnes, and later adopted by a caring, wealthy couple. Now, the year is 1937, and, in Paris, Luke thrives amid the climate of intrigue, caused by the looming international trouble. Luke is taken off guard, however, when word reaches him that Sister Agnes has been brutally murdered. Before Luke has a chance to leave for the funeral, he finds himself hotly pursued as the target of an assassination attempt. A clear case of mistaken identity-or so it first appears. In this lightning-paced historical thriller, Mark Mills transports readers to a continent sliding towards war. As Luke is hunted from Paris to Venice by relentless, cunning killers, he gradually comes to learn the reason he is being pursued lies deep in a past that predates his abandonment as a baby on the steps of the orphanage to an act of revenge gone wrong twenty-five years ago. "A grand adventure, in the tradition of Graham Greene's 'entertainments,' and John Buchan's before that." - Joseph Finder, New York Times bestseller author "The best novel I read this year. Where Dead Men Meet is an exhilarating and hair-raising charge through pre-war Europe A powerful tale of revenge, love, and self-discovery." - Mark Pryor, author of *The Paris Librarian* ".[A]n elegantly plotted mysterySuperb period drama." -The Sunday Mirror (UK) "Reminiscent of Eric Ambler's brilliant thrillers of the 1930sclose to matching him in page-turning readability." -The Sunday Times (UK)

How to Be Happy

A funny, sad and serious memoir, *How to Be Happy* is David Burton's story of his turbulent life at high school and beyond. Feeling out of place and convinced that he is not normal, David has a rocky start. He longs to have a girlfriend, but his first 'date' is a disaster. There's the catastrophe of the school swimming carnival—David is not sporty—and friendships that take devastating turns. Then he finds some solace in drama classes with the creation of 'Crazy Dave', and he builds a life where everything is fine. But everything is not fine. And, at the centre of it all, trying desperately to work it all out, is the real David. *How to Be Happy* tackles depression, friendship, sexual identity, suicide, academic pressure, love and adolescent confusion. It's a brave and honest account of one young man's search for a happy, true and meaningful life that will resonate with readers young and old. David Burton is a twenty-seven-year-old writer from Brisbane, best known for his theatre work. His play *April's Fool* (Playlab Press) toured nationally in 2012. He has recently co-written *Hedonism's Second Album* for La Boite indie, and *The Landmine Is Me* for Queensland Theatre Company. A speaker and presenter in school across Queensland, David is passionate about sharing his remarkable story with young people. *How to Be Happy* won the Text Prize for Young Adult and Children's Writing in 2014. '[Burton] delivers some devastating truth bombs. Sexuality is hard. Identity is hard. Love is hard. School is hard. This book shines a much-needed light back through the tunnel. It is a call-out to teenagers still struggling to find their way. *How to Be Happy* says "here's the path I took, hope it helps".' Books & Publishing 'I'm blown away by Burton's raw honesty and admirable wit.' Alpha Reader 'A fast-paced read that reminded me of one of my favourite memoirs, I thoroughly enjoyed this book.' Bumbling Bookworm 'How to Be Happy is easily a five star book I just can't fathom my love for this book into words. You all need to read it.' Endless Pages 'How to Be Happy is funny. Bitingly, embarrassingly, genuinely—FUNNY This book is gold, and if I could I'd make it mandatory reading in schools.' Alpha Reader 'This is an important book, one that deserves our attention Highly recommended.' Reading Time 'Anyone who has ever felt like they didn't fit in will be able to relate to the story of David's unusual childhood and teenage years. I wish there had been a book like this when I was 14.' Get Reading 'How to Be Happy is a perfect books for teens and adults It's funny, touching, and insightful, and I think it could help a lot of people feel less isolated.' Bookish Manicurist 'Burton's descriptions of his anxiety and depression are tangibly poignant, giving authentic voice to those struggling with similar issues. His tone morphs fluidly from compulsively funny to devastating from one moment to the next, and his uproarious wit shines throughout. A heartfelt, accessible book that strives to break down the stigmas surrounding mental illness with remarkable humor and honesty.' Kirkus Reviews

Shiloh and Other Stories

A tale as old as time is made new in Ashley Poston's fresh, geeky retelling of *Beauty and the Beast*. Rosie Thorne is feeling stuck—on her college application essays, in her small town, and on that mysterious General Sond cosplayer she met at

ExcelsiCon. Most of all, she's stuck in her grief over her mother's death. Her only solace was her late mother's library of rare Starfield novels, but even that disappeared when they sold it to pay off hospital bills. On the other hand, Vance Reigns has been Hollywood royalty for as long as he can remember—with all the privilege and scrutiny that entails. When a tabloid scandal catches up to him, he's forced to hide out somewhere the paparazzi would never expect to find him: Small Town USA. At least there's a library in the house. Too bad he doesn't read. When Rosie and Vance's paths collide and a rare book is accidentally destroyed, Rosie finds herself working to repay the debt. And while most Starfield superfans would jump at the chance to work in close proximity to the Vance Reigns, Rosie has discovered something about Vance: he's a jerk, and she can't stand him. The feeling is mutual. But as Vance and Rosie begrudgingly get to know each other, their careful masks come off—and they may just find that there's more risk in shutting each other out than in opening their hearts.

Hyperbole and a Half

#1 New York Times Bestseller “Funny and smart as hell” (Bill Gates), Allie Brosh's *Hyperbole and a Half* showcases her unique voice, leaping wit, and her ability to capture complex emotions with deceptively simple illustrations. FROM THE PUBLISHER: Every time Allie Brosh posts something new on her hugely popular blog *Hyperbole and a Half* the internet rejoices. This full-color, beautifully illustrated edition features more than fifty percent new content, with ten never-before-seen essays and one wholly revised and expanded piece as well as classics from the website like, “The God of Cake,” “Dogs Don't Understand Basic Concepts Like Moving,” and her astonishing, “Adventures in Depression,” and “Depression Part Two,” which have been hailed as some of the most insightful meditations on the disease ever written. Brosh's debut marks the launch of a major new American humorist who will surely make even the biggest scrooge or snob laugh. We dare you not to. FROM THE AUTHOR: This is a book I wrote. Because I wrote it, I had to figure out what to put on the back cover to explain what it is. I tried to write a long, third-person summary that would imply how great the book is and also sound vaguely authoritative—like maybe someone who isn't me wrote it—but I soon discovered that I'm not sneaky enough to pull

it off convincingly. So I decided to just make a list of things that are in the book: Pictures Words Stories about things that happened to me Stories about things that happened to other people because of me Eight billion dollars* Stories about dogs The secret to eternal happiness* *These are lies. Perhaps I have underestimated my sneakiness!

Now You See Me

It’s 1868 and Sir Harry Flashman, V.C., arch-cad, amorist, cold-headed soldier, and reluctant hero, is back! Fleeing a chain of vengeful pursuers that includes Mexican bandits, the French Foreign Legion, and the relatives of an infatuated Austrian beauty, Flashy is desperate for somewhere to take cover. So desperate, in fact, that he embarks on a perilous secret intelligence-gathering mission to help free a group of Britons being held captive by a tyrannical Abyssinian king. Along the way, of course, are nightmare castles, brigands, massacres, rebellions, orgies, and the loveliest and most lethal women in Africa, all of which will test the limits of the great bounder’s talents for knavery, amorous intrigue, and survival. Flashman on the March—the twelfth book in George MacDonald Fraser’s ever-beloved, always scandalous Flashman Papers series--is Flashman and Fraser at their best. From the Trade Paperback edition.

The Savage Garden

In the small town of Amagansett, perched on Long Island's windswept coast, generations have followed the same calling as their forefathers, fishing the dangerous Atlantic waters. Little has changed in the three centuries since white settlers drove the Montaukett Indians from the land. But for Conrad Labarde, a second-generation Basque immigrant recently returned from the Second World War, and his fellow fisherman Rollo Kemp, this stability is shattered when a beautiful New York socialite turns up dead in their nets. On the face of it, her death was accidental, but deputy police chief Tom Hollis - an incomer from New York - is convinced the truth lies in the intricate histories and family secrets of Amagansett's inhabitants. Meanwhile the enigmatic Labarde is pursuing his own investigation.

Floating Dragon

"These stories will last," said Raymond Carver of *Shiloh and Other Stories* when it was first published, and almost two decades later this stunning fiction debut and winner of the PEN/Hemingway Award has become a modern American classic. In *Shiloh*, Bobbie Ann Mason introduces us to her western Kentucky people and the lives they forge for themselves amid the ups and downs of contemporary American life, and she poignantly captures the growing pains of the New South in the lives of her characters as they come to terms with feminism, R-rated movies, and video games. "Bobbie Ann Mason is one of those rare writers who, by concentrating their attention on a few square miles of native turf, are able to open up new and surprisingly wide worlds for the delighted reader," said Robert Towers in *The New York Review of Books*. From the Trade Paperback edition.
