Whispers on the Wind

Soul whispers are what we feel while gazing at the night sky, or watching clouds merge and transform on a sunny day. They are that subtle sense that we are connected to the bird bathing in a stream, and to the wind moving leaves on a tree. The soul whispers to us that we are connected to the person sitting at the next table in a restaurant, and to the hungry child on the television screen. The feeling of awe when we watch the full moon rise and the stars brighten is our soul reminding us that we are part of the vastness. The whispers tell us that we all have the Divine spark within us that longs to be reunited in the Light. The words in this collection may be healing, calming, or thought-provoking, you choose. They may spark something deep inside that brings pen to hand, prompting you to write your own souls whispers, or they may simply encourage a few minutes of peace. Find stillness and let your soul renew your spirit with its whispers.

Though it is true that Rhet discovers great powers, he is neither villain nor hero. He is unique in a world where some can pull threads of wind from the air and weave it to do their bidding; he can bring wind into being where there is none. But a quest for domination begins to unravel the very fabric of the world, destroying the balance that must be maintained. It only took one to start the spiral toward chaos, but one alone cannot save the world, no matter how great his power. A new chapter in the story of the human race has begun. A slave will come to rule, a dockworker will meet his fate, and an unlikely group of companions will find themselves thrust to the forefront of the battle for life's existence. And man's future may be only Whispers in the Wind.

Rivers of Thought

It Whispers By: Ariella C. It Whispers is a unique and gothic view into the landscape of girlhood and womanhood. Some themes or tones the book takes are on girlhood, feminism, artistry, encapsulation, domination, and subversion. It is a look at whimsical unadulterated girlhood, or more apt to put it, whimsical girlhood and unadulterated womanhood. It deals with the male gaze and thinking and living with an emotionality that is on edge. Readers can go to a deeper place in themselves and can be moved emotionally and mentally. It is hopeful it reflects their own lives and ways of living and being.

Whispers on the Water

Imagine Agatha Christie writes a murder mystery, using a cast of characters as vast as any by J.R.R. Tolkien, and places it in the land of Louis L'Amour. This is the scope of *And the Wind Whispered*, the tale of three teenaged budding reporters who stumble onto a murder, which is only the beginning of the mystery. With visits from a virtual who's who of the wild west, the boom town of Hot Springs, South Dakota will not soon forget 1894. Praise for *And the Wind Whispered*: "It's rare to find a work that is a real delight in its uniformly feisty, believable protagonists who work within a plot that holds no boundaries. *And the Wind Whispered* is a remarkable achievement" - D. Donovan, *Midwest Book Review* ..".the book begins as any good murder mystery should, with a body. Throw in a dark cave and three snoop kids, and you've a good story - if you know how to write it Dan Jorgensen knows how" - Kevin Woster, *KELO TV* About the author: The product of a one-room elementary school in South Dakota, Dan Jorgensen was the first from his family to graduate college. During a long career as a writer, educator, and public relations specialist, he wrote six books, three songs, and a one-act play, as well as hundreds of news and sports articles. Whispers from the Shadows

I am of past times, many moons gone, but many moons to come. As seeds scattered on the winds, the children of our Fathers go far and wide. Therefore much ancient wisdom and much love will bring those scattered back together again. We all have same heartbeat. We are the eyes, ears and mouth for all nations in this book. This book is about lifting the veil for every Nation in the World. The words brought through will go out to red, white, black and yellow, it matters not. They are words of wisdom brought through the Ancients as truth that will touch every soul. The decision of the reader is of their choosing. If they choose to believe, and question what has not yet been; if they put book down and say, 'we never knew, we did not understand, ' then this book was written for good of all man and is recognised as such. We are building a bridge between your world and ours. You write, 'We are honoured to have been given these words by the Indian

Nation, to pass on to reader.' We write, 'We are deeply honoured that we have been allowed to speak through these fine women.' Women whose beliefs have allowed them to overcome their doubts as to whether to publish these words. We say, 'Truth will always out.' We also say, 'These words give hope to many Indians, struggling to find where they belong in a mixed world.' - Two Rivers (Cherokee) Publisher's website: www.SBPRA.com/ThelmaMooreandCarolynDurlin
